Cyndi.

Well, I just wrote you a letter two days ago about finding your annual and today I found Pam and she already had it. Well, anyway here I am sweetie and I'm gonna write lots and lots! (guess you can tell since I took the biggest page in the whole book!)

Boy, Cyndi somebody must have boughten your house cause I've seen all sorts of people running in and out. I just wish I could still go over there to that little black brick house and meet 'Misty' barking at me and your mommy saying "Hello, Karin, Cyndie's in her room!"

Remember all the dumb things we've done? How about the time in that field when you fell off my horse - (with no help of mine) and I laughed! Oh well, we were so retarded and all I can't believe it!

And when you learned to knit! - on one of those horny days when I was wrecking your hair. You were just as uncoordinated as me - huh?

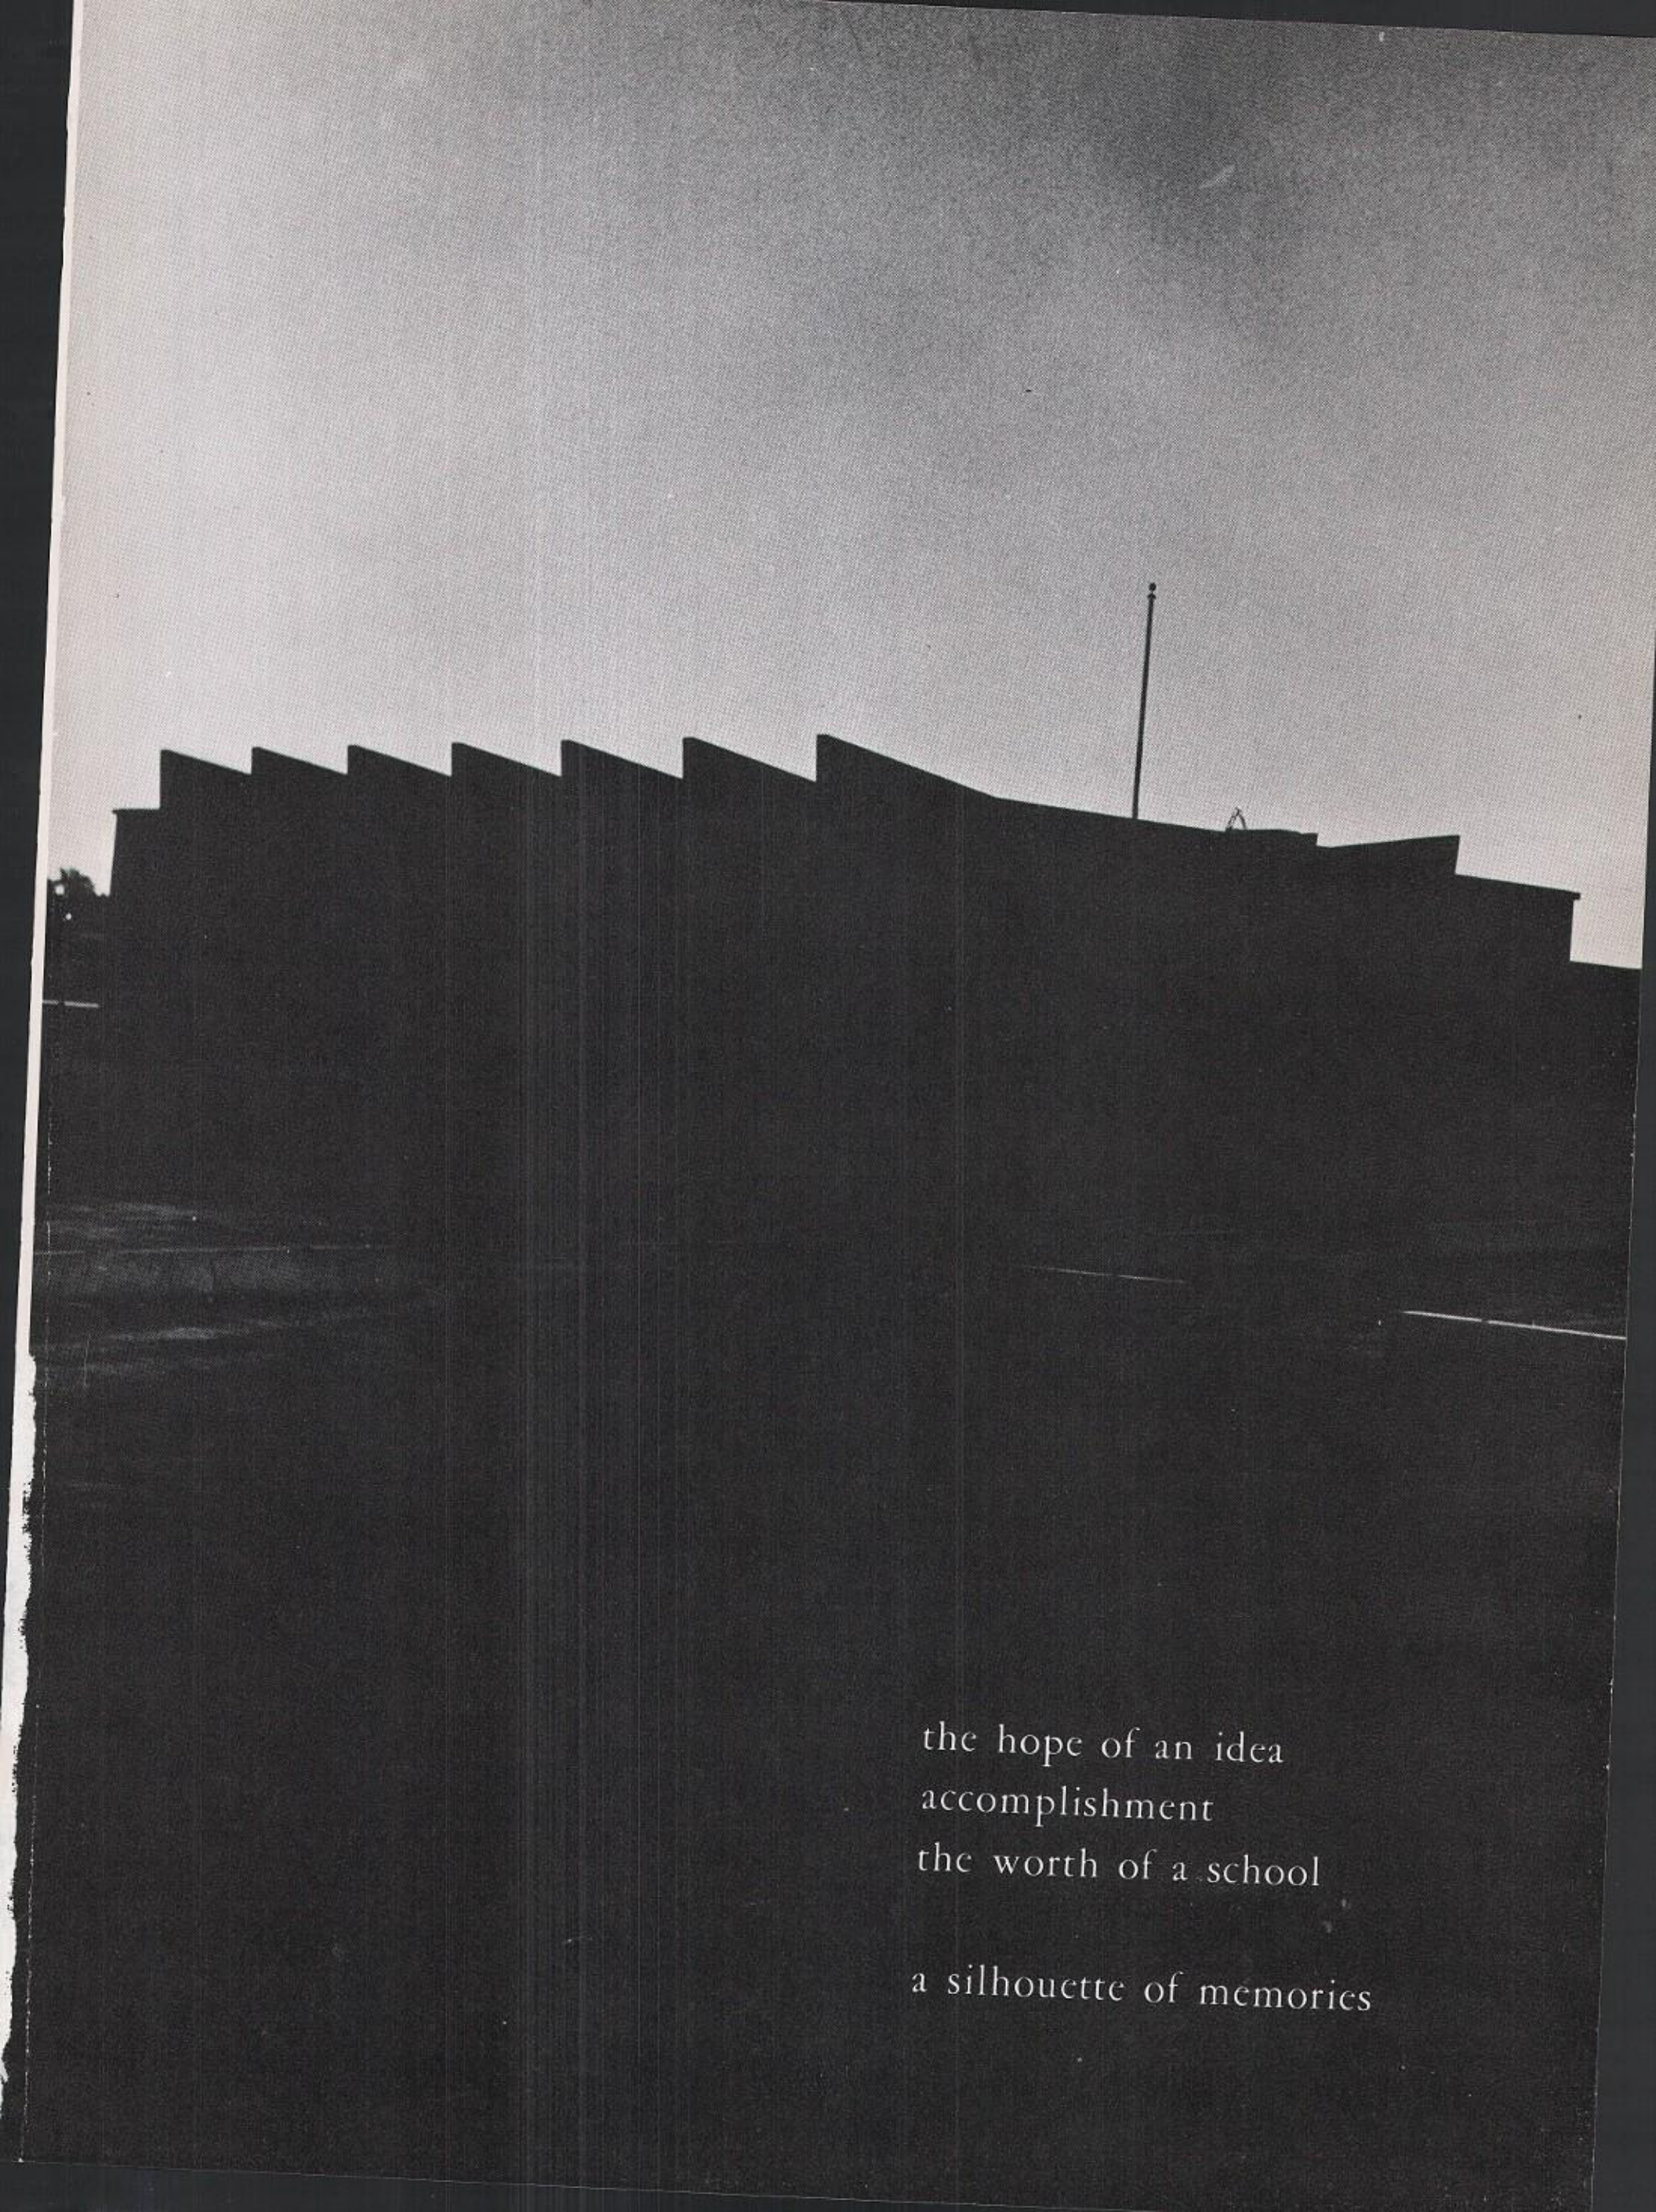

And you know what else - I miss you on the bus! It's so quiet on there! If it weren't for Beanie's corny jokes. (we'd all go nuts!) - Back again!

It's been so sad and lonely around here without you and I miss you so 'berry' much - are you happy in Conn? Cyndi I sure hope so cause you deserve so much. Dickie or Dicky or whatever his name is must be your sweetie now - (as I've heard from Pam) - I'm so happy for you - and best of luck to you both or who ever your honey may be.

Please remember that we all miss you very much and wish I could see you again sometime. Who knows? Maybe someday we will! Be good, think of me, write me a few letters, say your prayers, don't eat crackers in bed and plan ahead - (like I don't!)!!

For ever and always,
Love, Karin

Dearest (ooo) Cyndi, June 21
 Well, babe. I got your annual back-
 finally. And I figured I had better
 write my little essay before all the
 big pages were taken up. Since I write
 my monthly epigrams to you via mail,
 I won't go into detail about my daily
 life this charming summer. (Charming-
 ha! This has been the dullest vacation
 ever) And I'll bet your having an
 absolute ball with your "lover". So
 instead I shall do a little reminiscing.
 OK.?

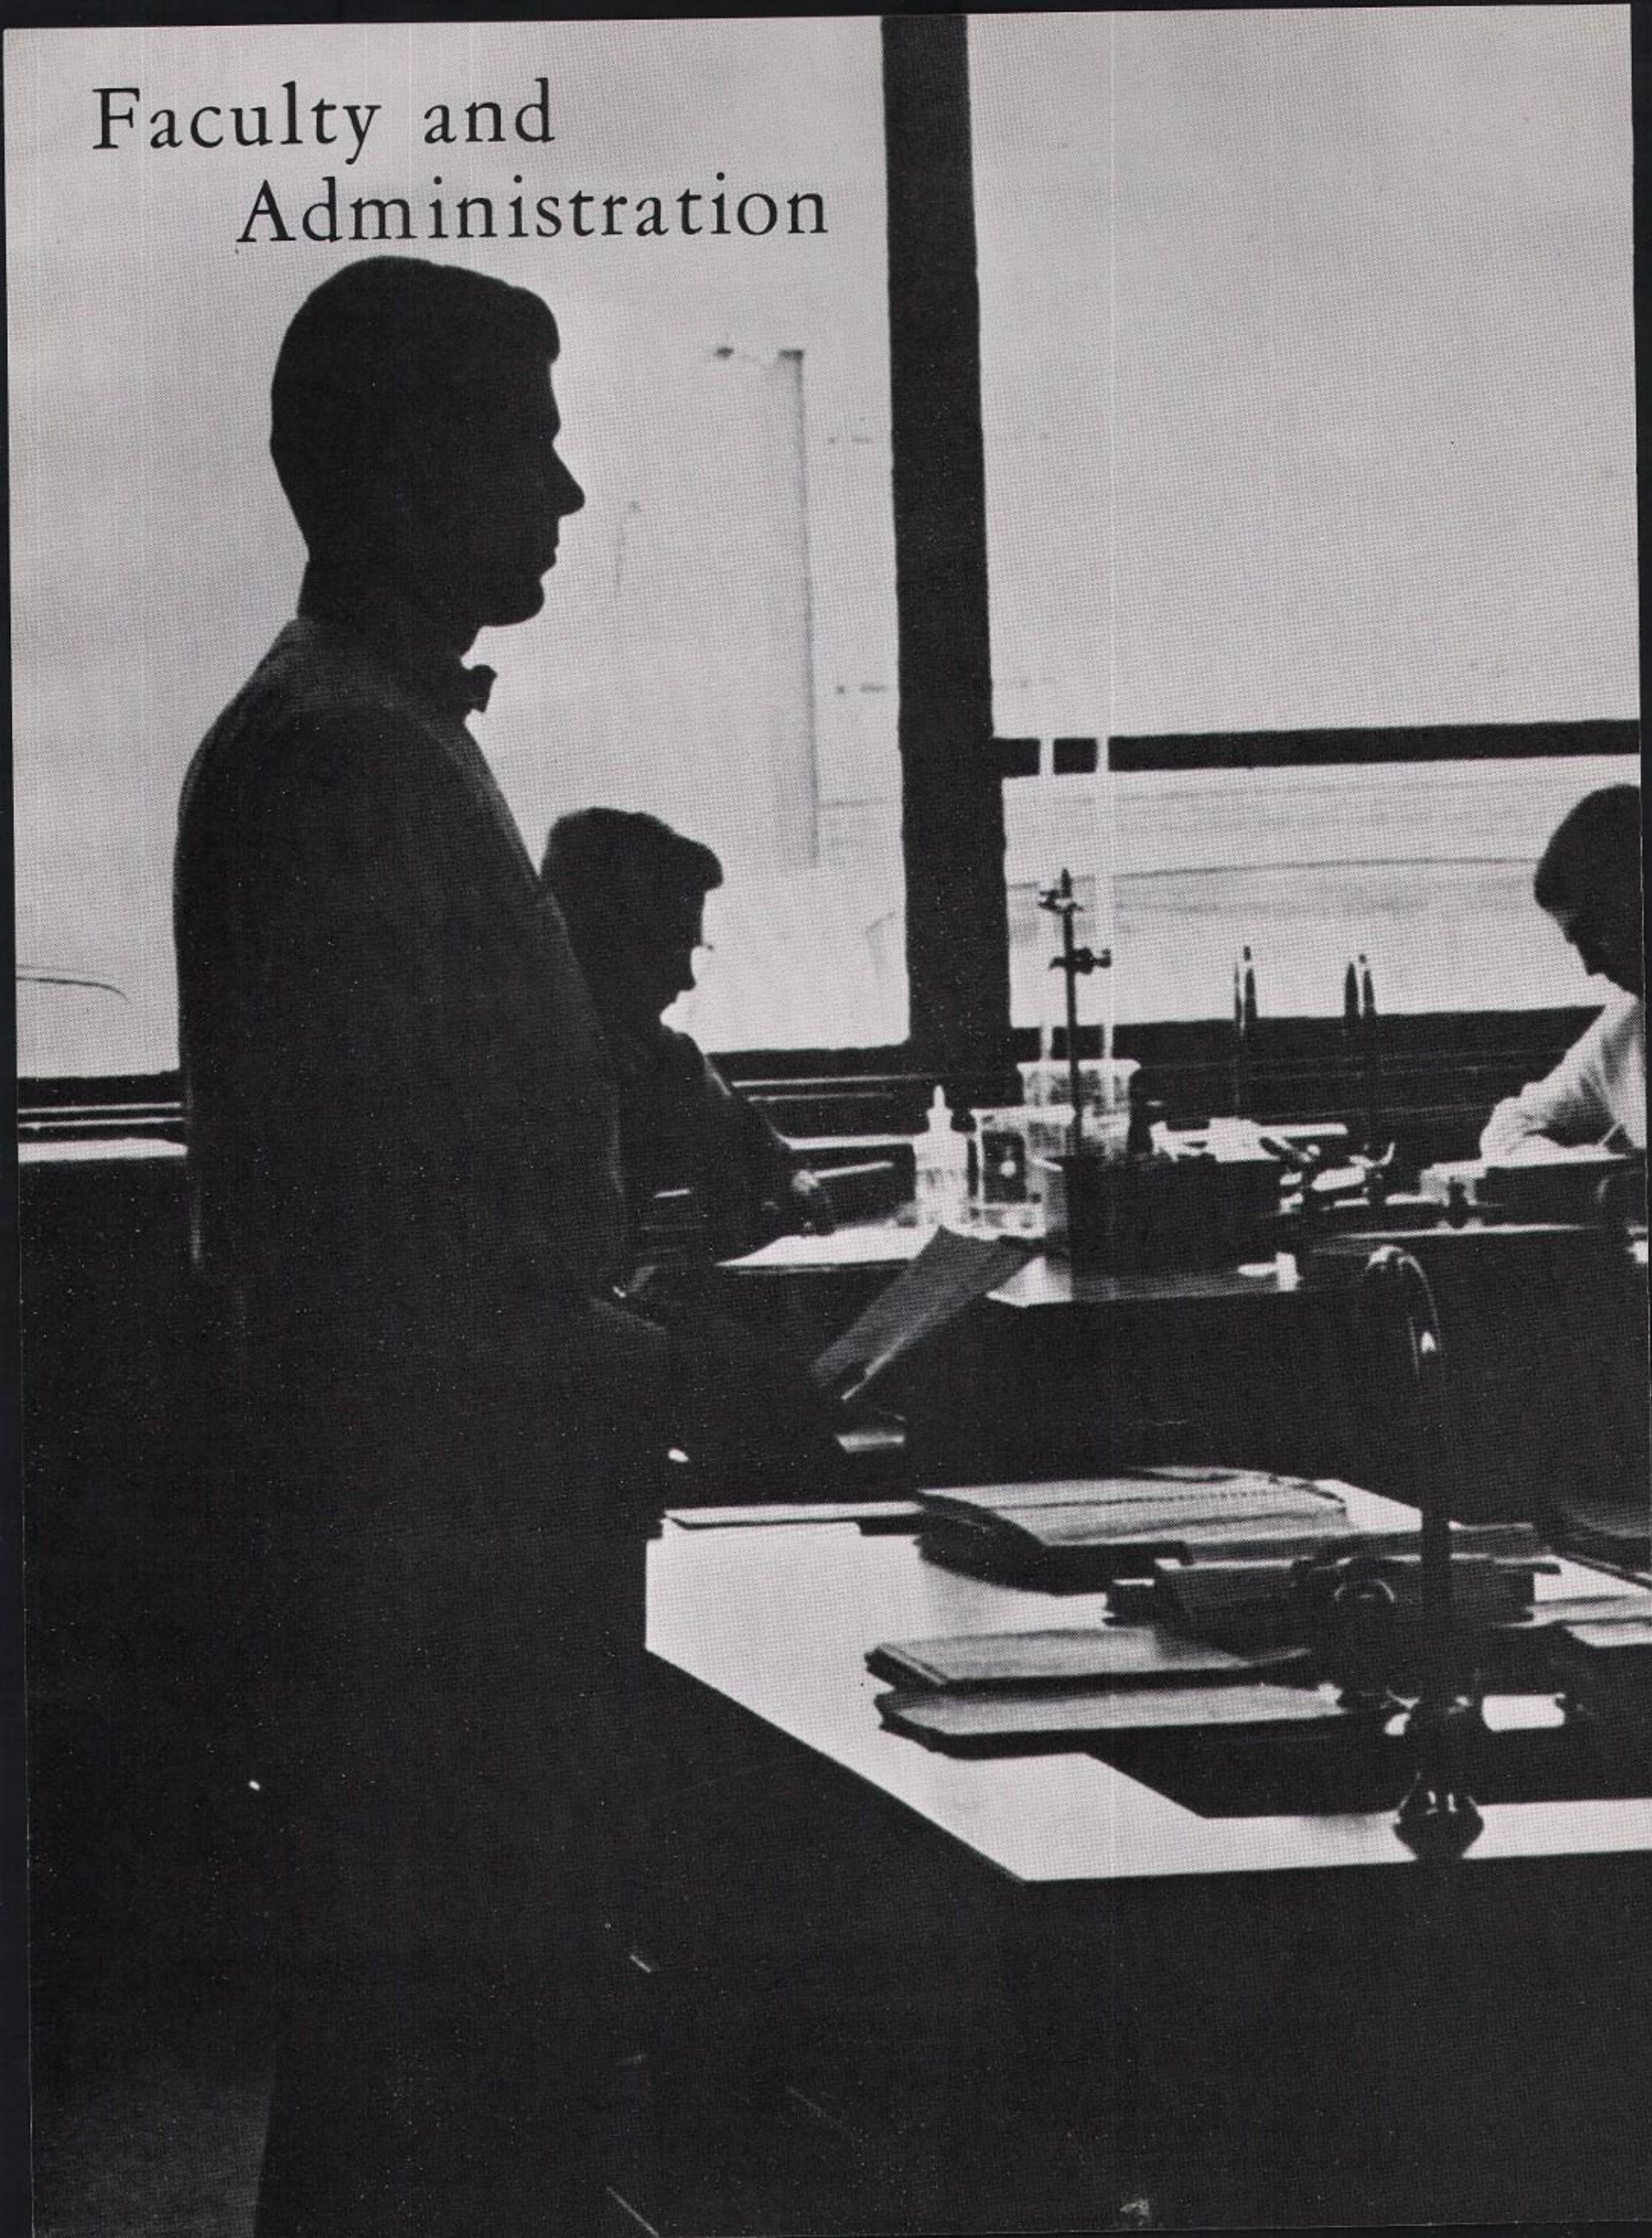

Cyndi, you are one of my absolutely
 darlinest (is that an ad?) and dearest
 friends. I absolutely (wow! that words
 sure getting a work-out) enjoyed
 knowing you and being with you. I
 haven't found one single thing I dislike
 about you! So, from such a great critic
 I know you'll absolutely measure that
 statement.

Man! That writing between the lines
 was getting a bit bleary-eyed. I have
 never enjoyed double-dating with

 sure wild and wound-up. I've always
 sort of pitied the boys we dated when
 we got together! Gosh! we never
 gave them room to breathe! Just a
 constant flow of wit(?) and gossip
 and intellectual discussions! Once
 in awhile a bit crude, true, but fun! (I'm
 sure wild with the exclamation points)
 I know I'll never forget our hazy-eyed
 dates, and all the dancing! My hands have
 never hurt so much from doing the clog!
 Ha! Prom. Babe, remember that. How
 how dead we got?

Mr. Rockafellow and Mr. Altimari Take Administrative Reins

Principal

Asst. Principal

T. F. ROCKAFELLOW

Mr. T. F. Rockafellow and Mr. Bill Altimari are Littleton's new Principal and Assistant Principal, respectively.

Mr. Rockafellow, whose home town is Alamosa, Colorado, came from Ft. Morgan, Colorado, where he served for eleven years as Principal of the high school there.

Political science and economics were his favorite courses at Colorado University, where he received his bachelor and masters degrees. He is currently working on his doctorate at Colorado State College at Greeley.

"Students are not given credit for as much maturity as they have," said Mr. Rockafellow, who plans to initiate a program to strengthen the student-body this year. Mr. Rockafellow feels that Littleton has very adequate facilities, many courses offerings, and alert, helpful counselors.

Relating school pride and school spirit, Mr. Rockafellow said, "Students who take part in the school and have responsibilities toward it build school spirit."

A Faculty Senate, comprised of faculty members organized much as the students' Executive Council, and student representatives will meet together to decide many administrative matters. This organization will be called the Coordinating Council. "With good order, I think this council can make a successful team, giving the students a voice in their governing," said Mr. Rockafellow.

Mr. Rockafellow's other aims are stressing new teaching methods and the enlarging of the curriculum with television courses and seminars.

Mr. Rockafellow's main interests are reading, music, and his three-year-old son. While mentioning organizations to which he belonged, Mr. Rockafellow smilingly added, "I also belong to the Lions Club."

Mr. Altimari, who was born in Kansas, taught in Denver schools for seven years and Jefferson County for one-half year before coming to Littleton. His wife, daughter (6), and son (2), reside in Jefferson County.

He received his bachelor degree from the University of Kansas, his masters from the University of Denver, and is working on his doctorate at C.U.

"Of all the schools in the metropolitan area in which I've worked, Littleton has one of the finest buildings," said Mr. Altimari. "The faculty is so friendly, I just can't wait to get started working with everyone."

"Skiing is my biggest weakness," admitted Mr. Altimari, who sponsored the Ski Club at Jefferson High School last year.

Mr. Altimari feels the greatest problem in the Colorado education system is obtaining well-qualified people to make teaching a career. "In elementary schools in Denver there is a 60% turn over of the teaching staffs every year," said Mr. Altimari.

BILL ALTIMARI

Delegates Comment On Government Work

There are many ways to begin the summer months, but probably the most educational and exciting is that of being selected a delegate to attend either Boys State or Girls State. The lucky students to share in this experience were: Ramona Wagner and Kriss Gamble, who attended Girls State, and Rob Bradley, Mike Johnston, Ray Nunally, John Ogier and Ronnie Plunkett, who attended Boys State.

The selected delegates of Boys State and Girls State were chosen on the basis of class rank, leadership ability, and community and school citizenship. Boys State and Girls State are sponsored by the American Legion and the American Legion Auxiliary respectively.

Representatives Experience Political In-Fighting

Girls State was held at Colorado Woman's College from June 13th to the 19th. Participating in the imaginary city, county, and state governments, were 316 high school senior girls from throughout Colorado. The state consisted of three counties and six cities, governed by the Federalist and the Nationalist parties.

When asked to make a comment on Girls State, Ramona Wagner said, "Girls State was an experience that I will never forget because it helped to educate me in governmental affairs and politics."

"Boys State is an experience in government that is more than just seeing government in action but it is actual participation," commented Student Body President, Ray Nunally.

Boys State was comprised of 300-350 Colorado high school boys who participated in city, county, and state governments. This program, held at the University of Colorado, began June 15 and continued through the 22nd. Of the many bills passed, the one providing state funds for the teaching of Communism in public schools was one of the more controversial.

When Mike Johnston was asked what Boys State meant to him, he

A Word of Orientation Offered to Sophomores

To those of you who are just beginning your high school career, a word of orientation.

First of all, many of you sophomores brought your swimming suits, beach balls, inner tubes, suntan lotion, and various other articles yesterday, claiming you had purchased a \$7, all-season pass to the swimming pool and adjoining refreshment center from some graduated senior.

Still others of you spent much of the afternoon searching for the elevator for which you had bought a \$5, completely unused elevator permit good through second semester, 1964. Have you checked the map of the school in your quest for these luxury conveniences? Still no swimming pool or elevator? Don't throw away those permits and all-season passes! With the cost of living rising as it is, in three years you may be able to sell them to some unsuspecting sophomore for \$10 apiece.

If you have not already done so, be sure to purchase your copy of the "Sophomore Handbook" from the senior booth. It provides the new-comer with twenty of the hardest signatures of faculty members to forge, including fifty sample hall passes on which to practice and two pieces of carbon paper to increase the number of passes signed and decrease the time needed.

Also of importance in the book is an article entitled, "How to Fall Asleep with Your Eyes Open."

Also included is a list of '63 graduates who kept all their homework and — for a small fee — will loan it to any needy sophomore.

We regret to say that the supplement to this handbook, "Tests and Answers from Five Major Sub-

Seniors Give Sophs Beanies

"The idea of sophomore beanies has come up for many years but until this year it has not been carried out by the students," said Nancy Louthan, senior class president.

The class of 1964 is raising the money for sophomore beanies through money-raising projects. These projects began last spring with a car wash and will include bake sales and a football concession stand this fall.

The purple and gold beanie was presented to all sophomores on registration day. The beanies will not be handed down to any other class from year to year.

The class of 1966 will be required to wear the beanie every day of school from now until Homecoming, which is October 4. Sophomores will not be admitted to any football games unless they are wearing the beanies.

"This year's senior class is hoping to promote more school spirit by having sophomore beanies," Nancy said. "We hope to have the cooperation of all sophomores so that school spirit in the 1963-64 school year will be top."

From Spain to Australia Jordi and Baker Make Fair Exchange For LHS

Have you ever wondered what it would be like to attend school in a foreign country? Eleonora Donatelli Jordi won't wonder any longer—she's here! Nora, as she will be called, won the foreign student scholarship sponsored by the American Field Service Legion, and is our own new LHS exchange student from Barcelona, Spain.

Nora, who arrived in Littleton on the fourteenth, is spending the year with Mr. and Mrs. R. M. Crandell, and their children Cathy 16, and Chris, 10. Their son Wayne, a 1963 graduate of Littleton is attending CSU.

Before receiving this scholarship, Nora lived with her parents, two brothers and a sister on the Mediterranean coast of Spain. Her father is a doctor of chemistry and pharmacy in Barcelona. Nora has studied English for five years. She also speaks French and Italian. Her favorite subjects are language, literature, and art.

Janet Looks Forward to Another Summer in Australia

Janet Baker, our former head majorette for LHS, stopped wondering and began looking forward to attending school in a foreign country last July 29. At that time she was selected by the Rotary Club to be our delegate to Perth, Australia.

Arriving in Australia's late winter, Janet will be enjoying summer all over again. In Perth, Janet will be living with an Australian family.

NORA DONATELLI JORDI

JANET BAKER

LHS From 1902 to Present Day

The first four-year high school started in Littleton when the 1902 school term opened at the old West School. This school was then the only school in Littleton.

In 1892 a high school class which consisted of two was graduated at the end of their third year.

In 1904 a high school addition was built on to the old West School. During the building of this addition the high school pupils went to school in the old creamery building on west Alamo. They occupied the new school with the beginning of the 1905 term, and the first four year course students were graduated in 1906.

In 1919 it was evident a new high school building should be built and a bond issue was voted for that purpose. The high school, now known as Grant Junior High was constructed and occupied in 1920.

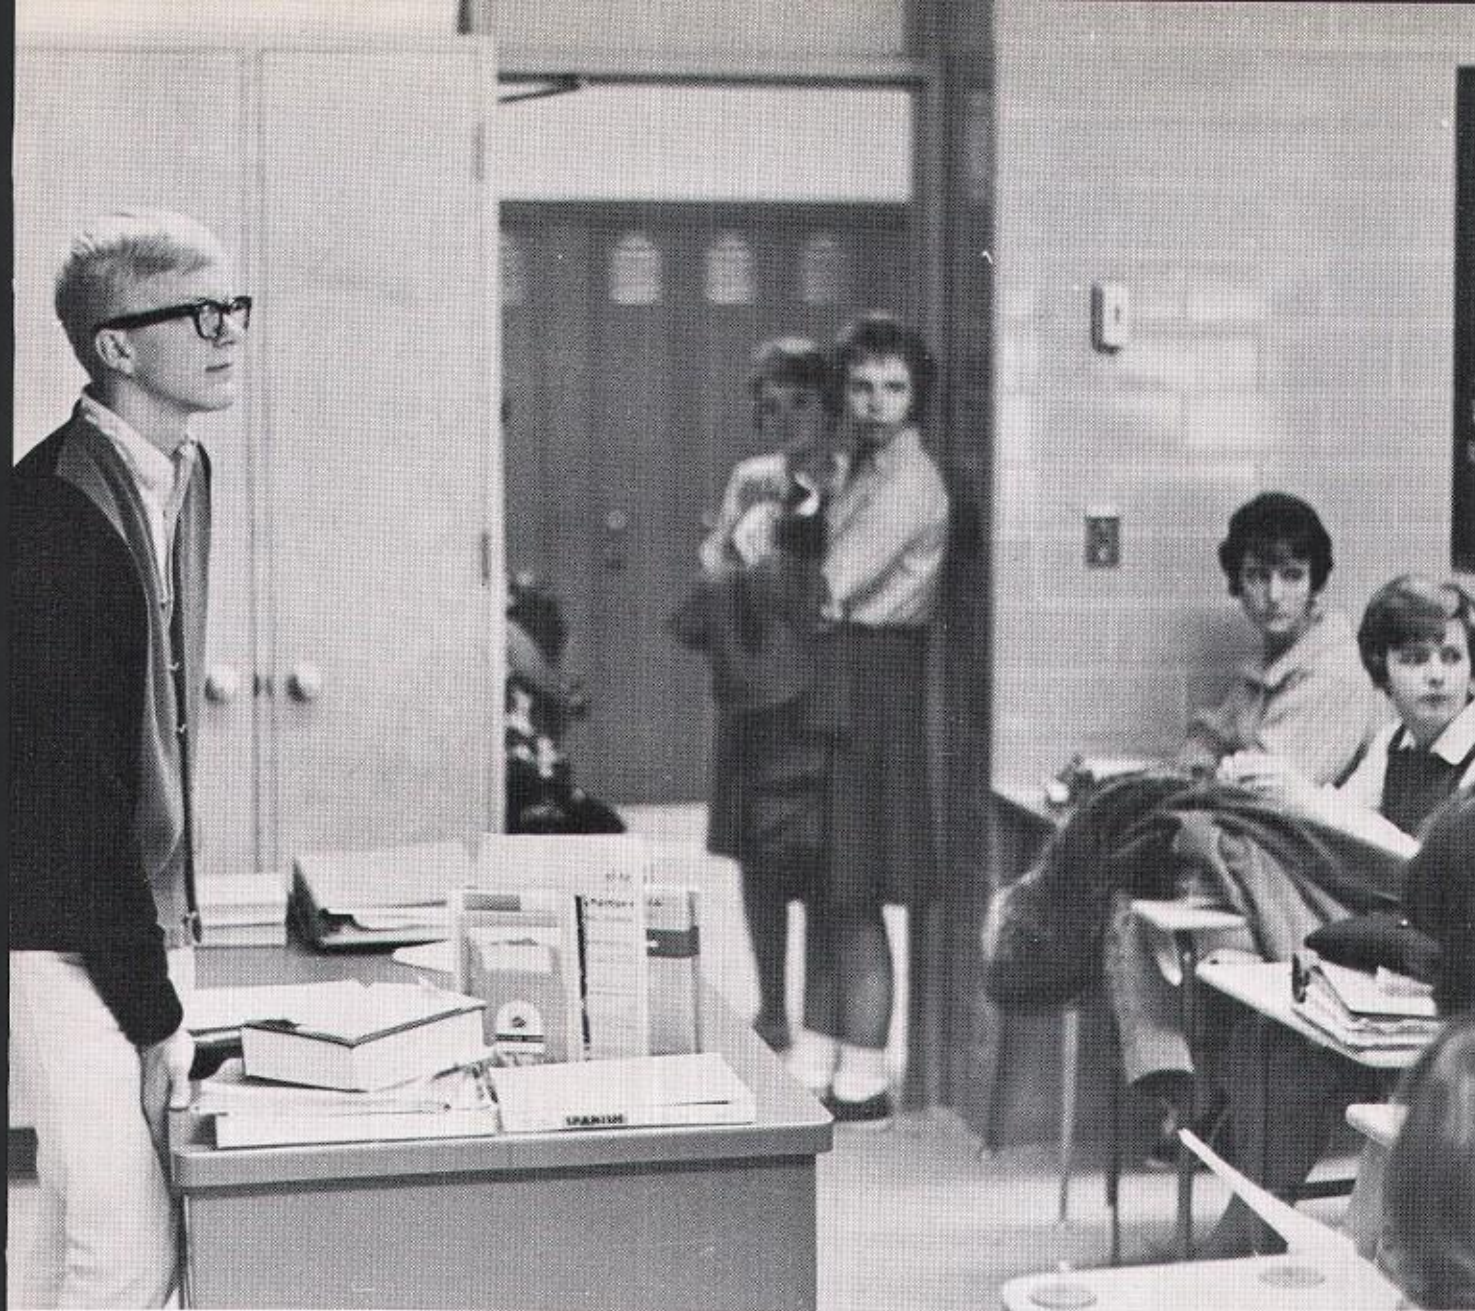

In 1956 the present Littleton High School was opened. During 1963 construction will begin on the new Senior High School, which is planned for opening in September, 1964.

Celebrating Oktoberfest, staging a Christmas party and holding a brot-wurst roast are the chief activities of the German Club. The Club strives to promote interest in the German language and customs.

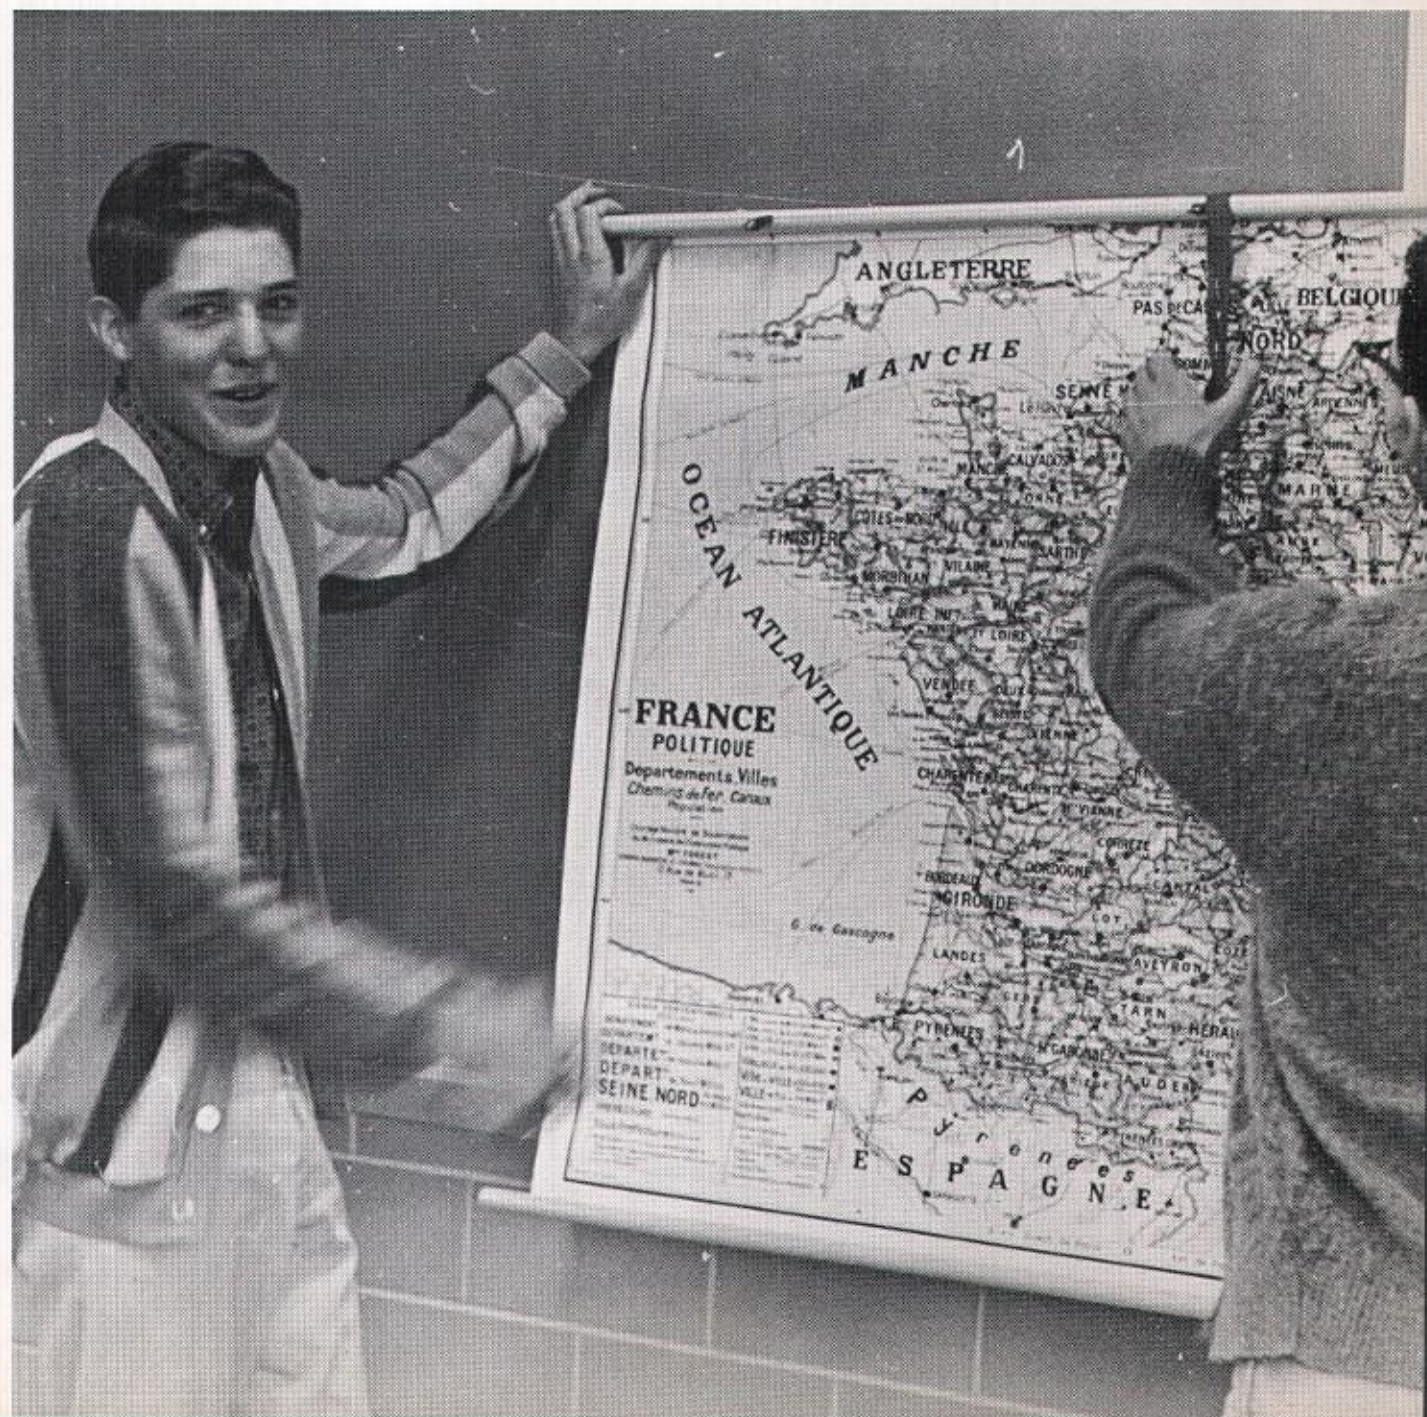

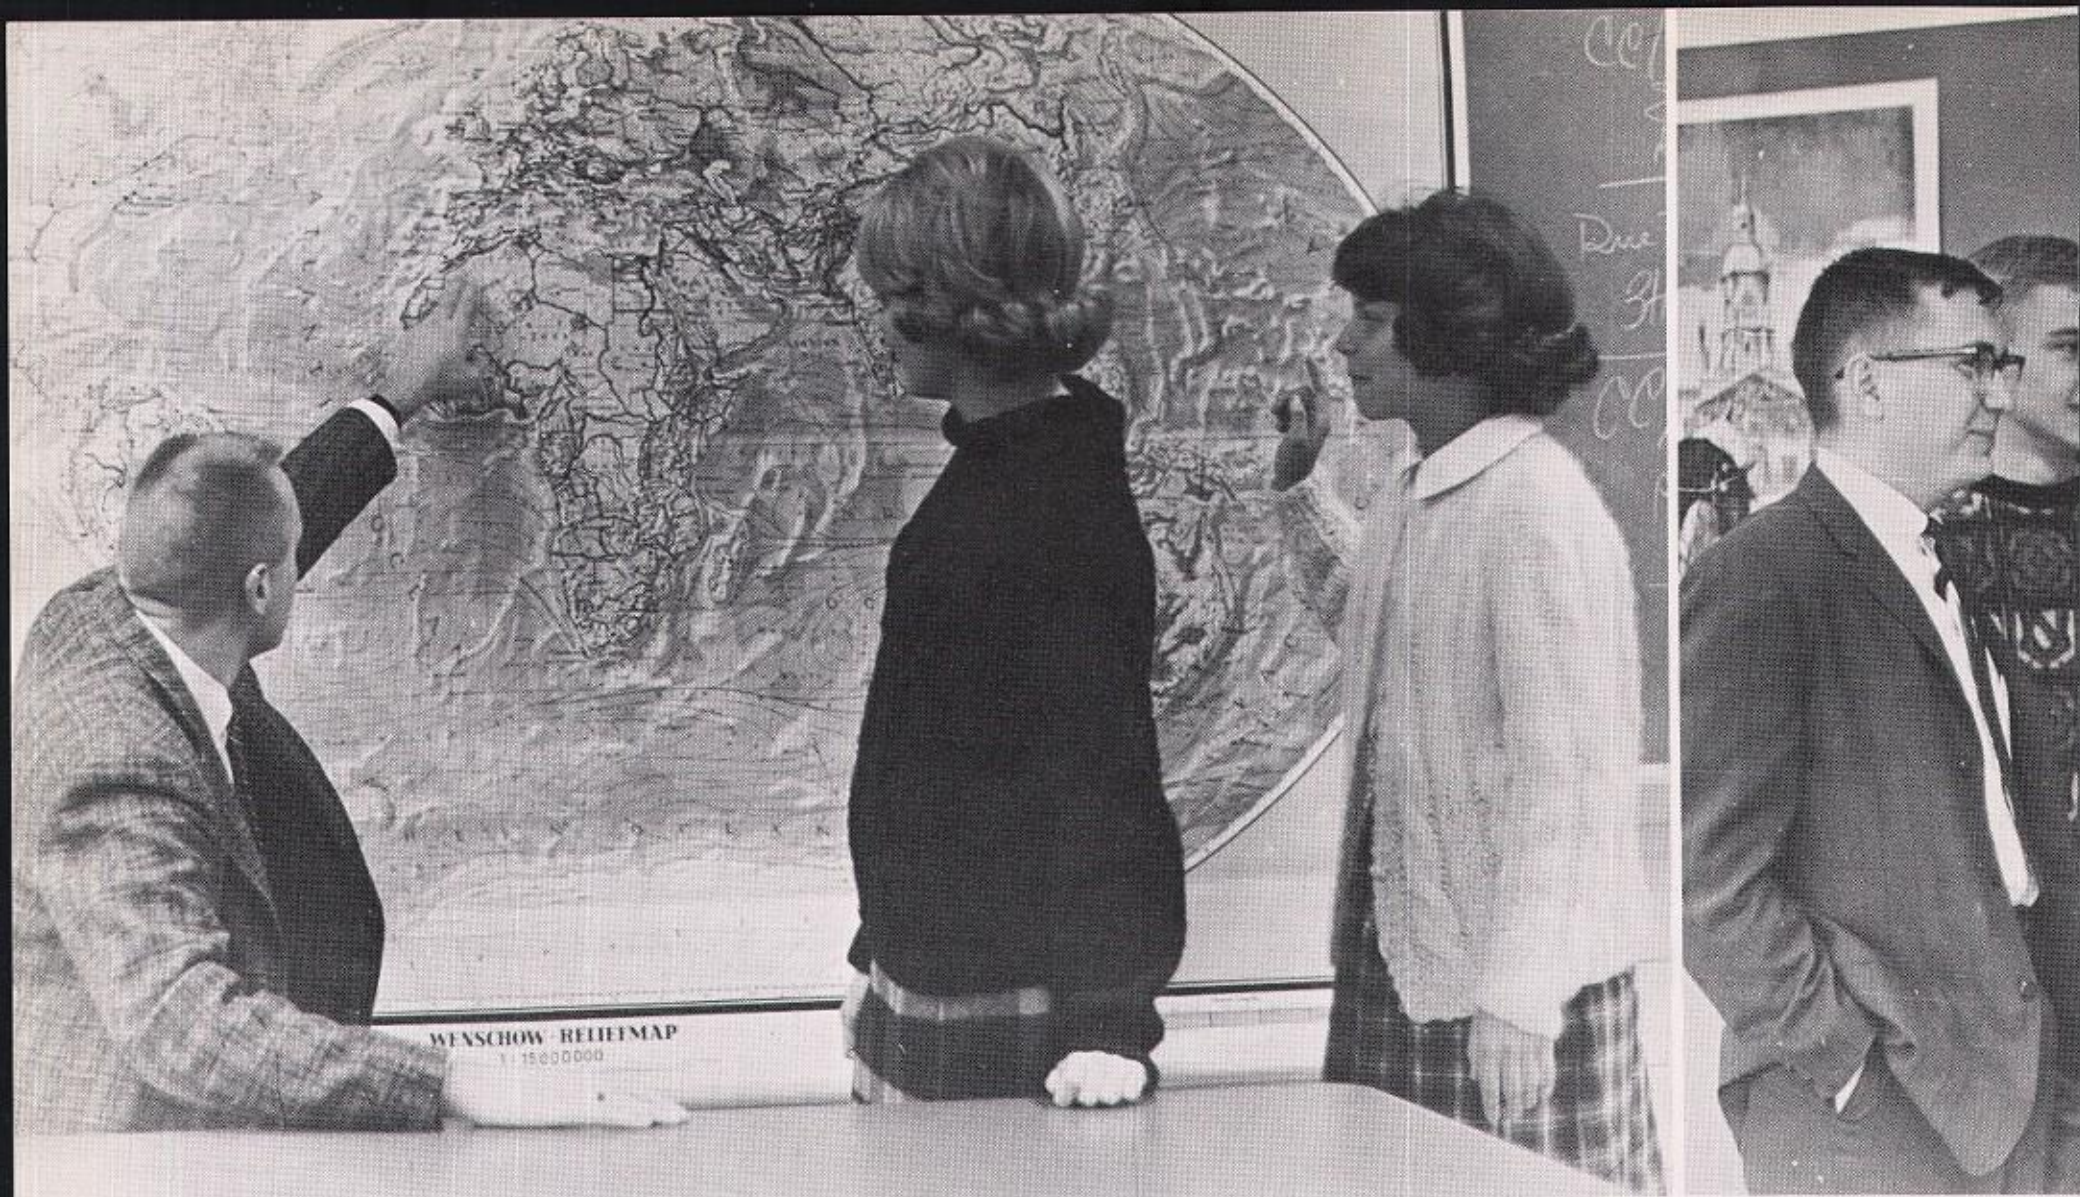

To understand another culture is the prime goal of the Russian Club. Plans for a Latvian Christmas party and speakers from the different sects of the Russian Orthodox Church are among the major activities for the year.

Devoting its efforts to learning about Spanish speaking people and their customs, the Spanish Club enjoys lectures and Spanish meals. The group sponsors a welfare project in December.

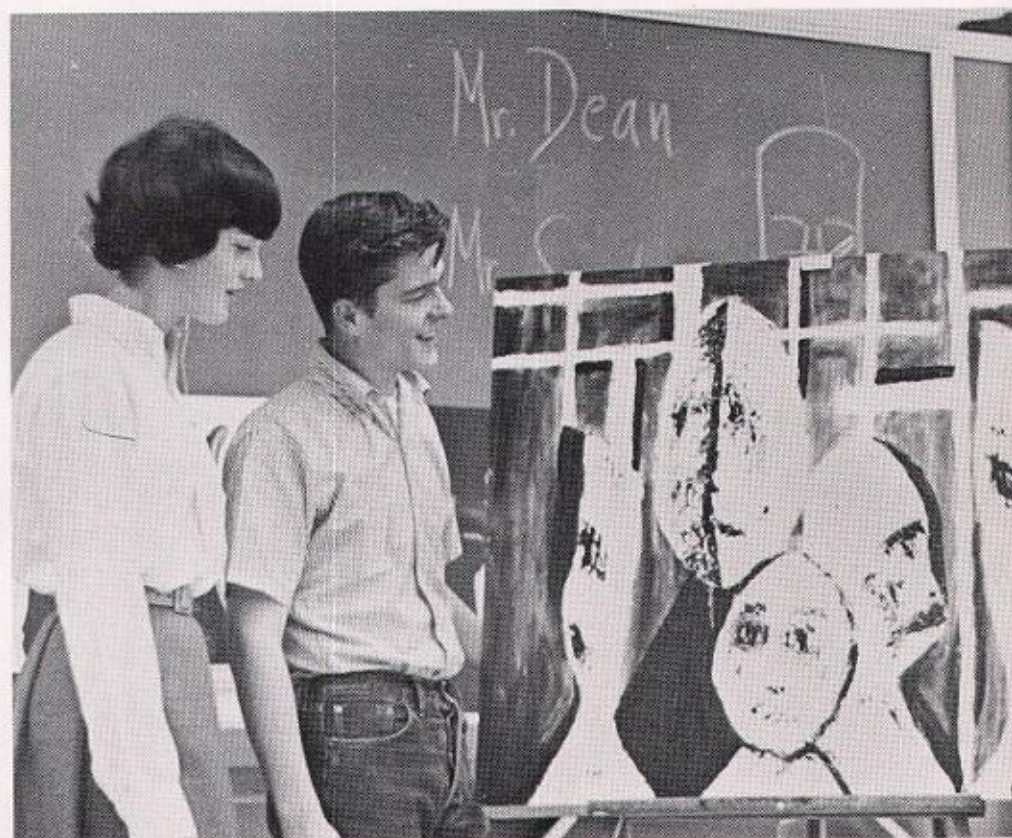

Because of its hope to send a student to France, the French Club has sponsored many money-raising projects such as bake sales and the annual presentation of the French Club Film Festival.

International Relations Club is organized to promote the better understanding of other nations and their internal affairs. To help sponsor an exchange student at our school and sending delegates to the Model United Nations convention which is held each spring are among the chief activities of this group.

Endeavoring art students find the sketching trips and workshop sessions of the Art Club of great value in increasing their talents.

To increase, through competition, the effectiveness of the spoken word is the chief concern of the Forensics Team. The team participates in debates, discussions and individual events.

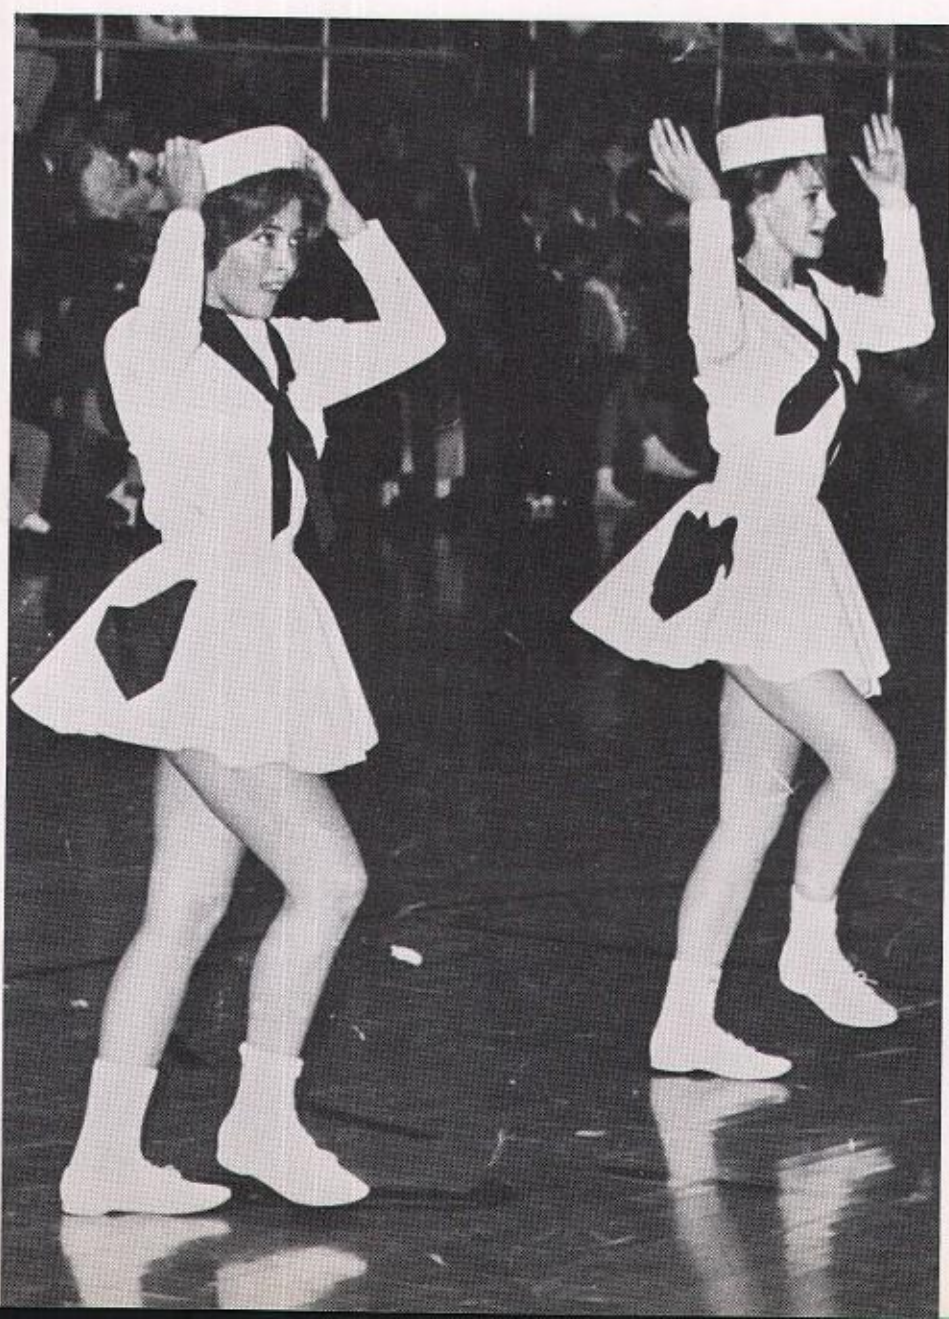

Susie Gunther and Janet Tennant were selected to be majorettes on the basis of their baton twirling ability, and their over-all appearance. Appearing during sports events, this talented duo colorfully highlights the band.

The six varsity cheerleaders arouse school spirit and direct the Pep Club and spectators in boosting the teams on to victory.

The Lionettes are 16 girls who perform spirited routines at half-time programs of games. High moral character is a requirement, along with membership in the Pep Club and maintaining a "B" average.

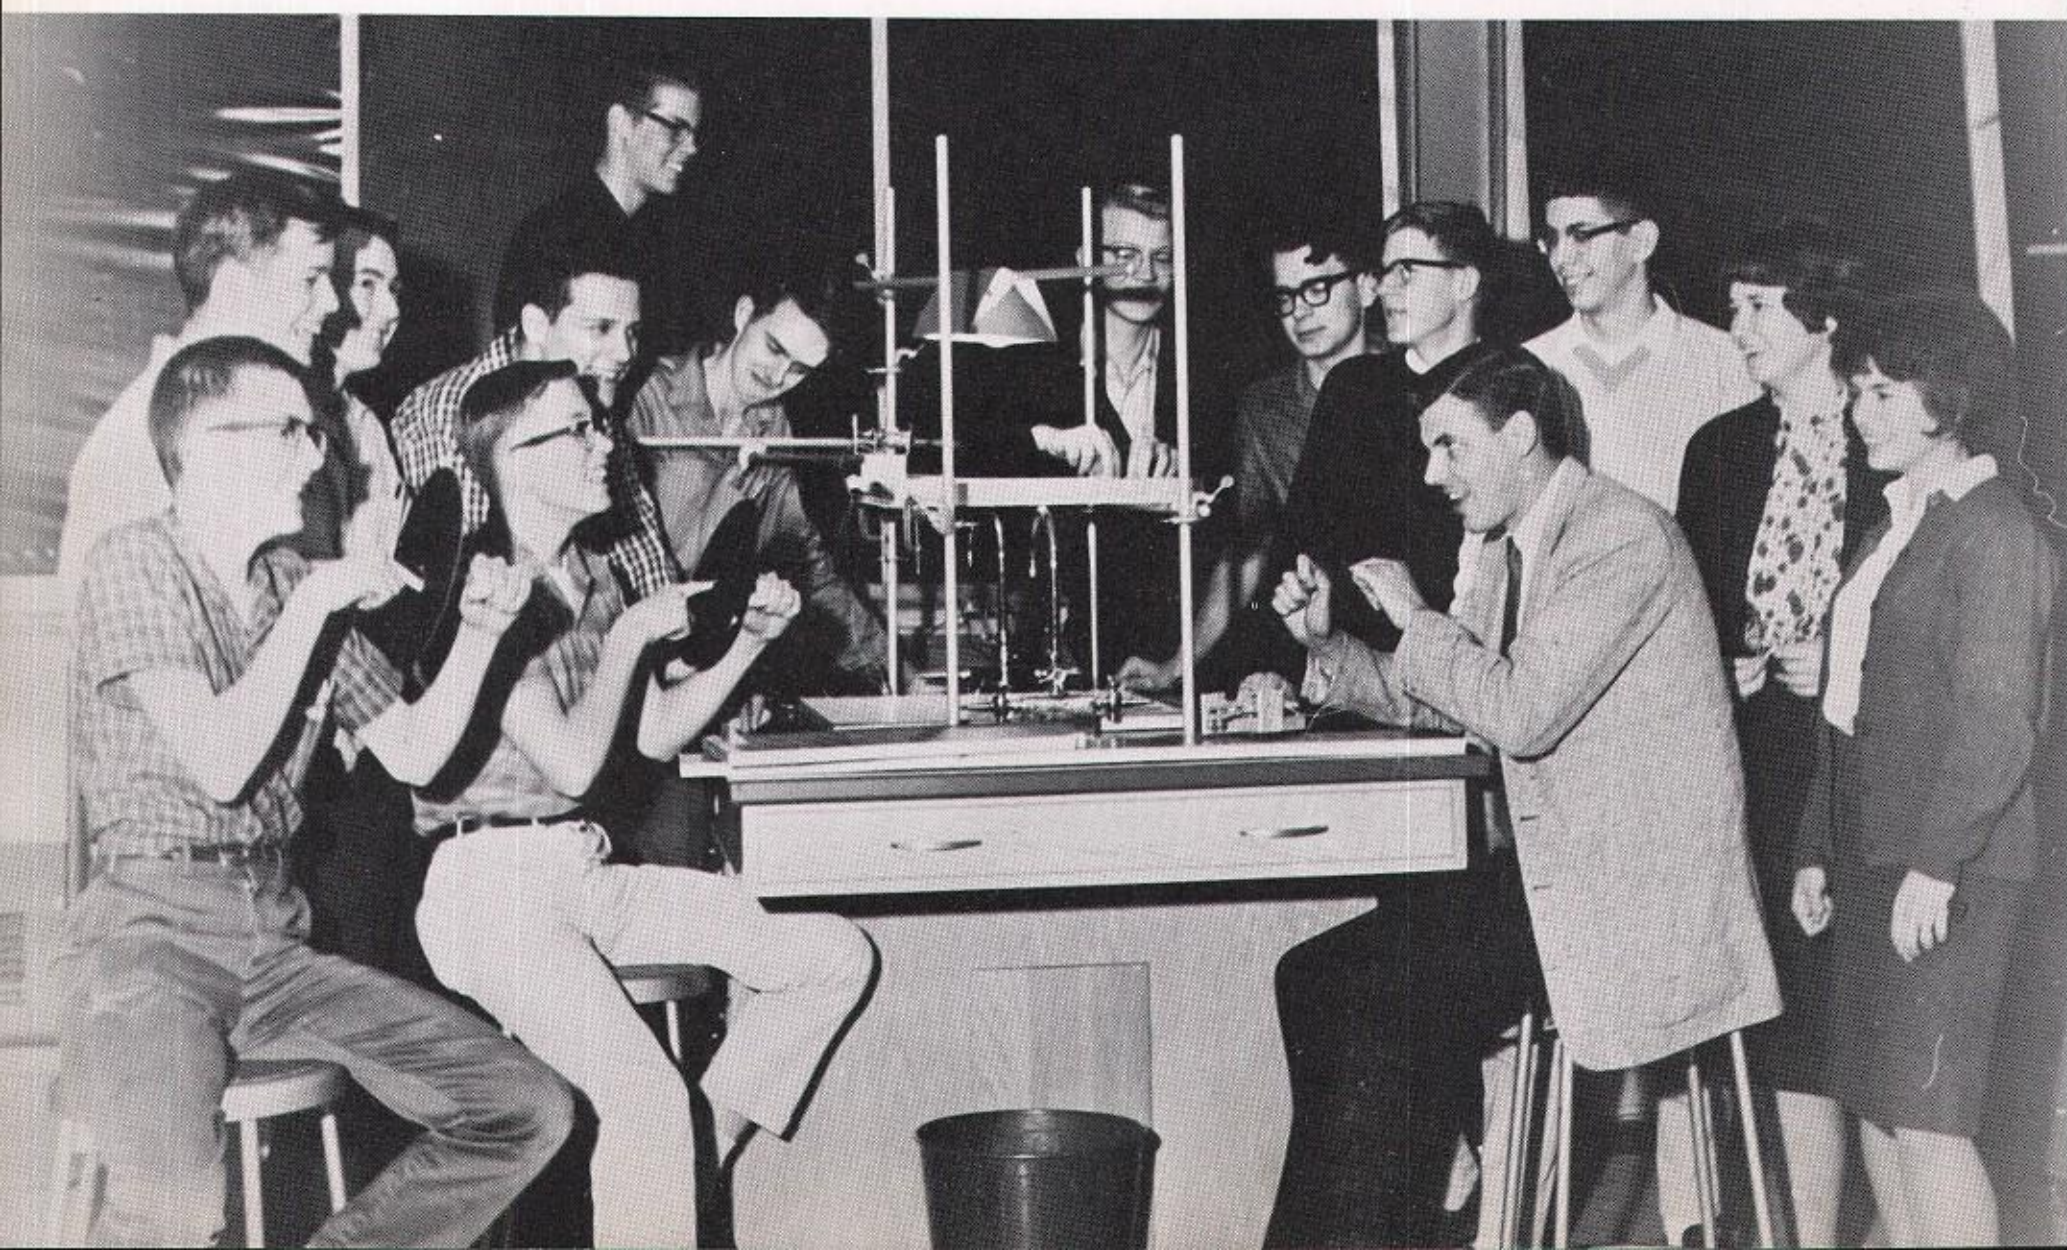

With Latin banquets, complete with togas and slaves, and a Junior Classical League convention, the Latin Club strives to promote interest in the classics.

Future Business Leaders of America is an organization for students who are especially interested in entering the business world. Field trips, special speakers and discussions are included in the activities of this club.

Science Club helps its members pursue their specific scientific interests through discussions, lab work, movies and field trips. Chemistry, Microbiology and Physics clubs are all incorporated into the Science Club.

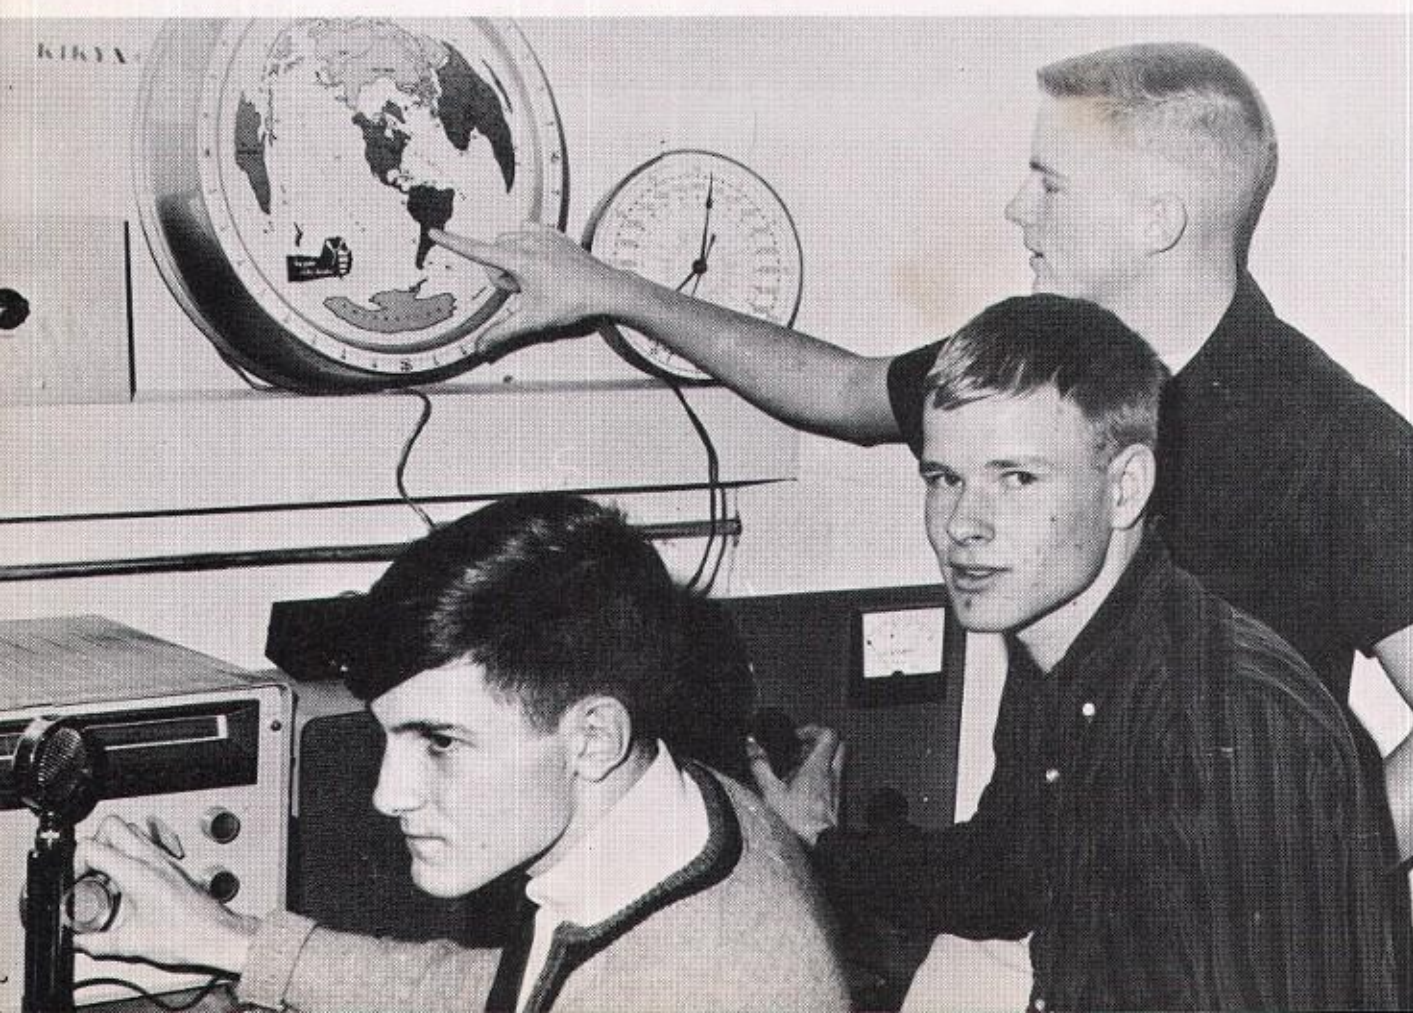

Students intent on becoming teachers congregate twice a month at the meetings of Future Teachers of America. The students hear many speakers connected with teaching.

The AFS Student Committee is a newly formed group in charge of entertaining foreign students at our school and raising money to sponsor AFS students in other countries.

Pep Club helps to keep up the school spirit by going to the games and supporting our teams. They sponsor the Twirp Dance which took place in February.

Why are these boys huddled in a group around their ham radio? Some subversive plot? No, it's a meeting of the Radio Club learning about amateur radio operation, licensing, and use of frequencies. Eventually this club hopes to have its own school affiliated station.

Thanks to the Emergency Service Club, fire drills at the high school run smoothly and efficiently. Members are volunteers who are interested in seeing that the school functions properly in an emergency.

Students may become Thespians after donating time, energy and talent to the cause of one of Littleton High's theatrical productions. Thespians is the guiding hand backstage during a play to make sure everything runs smoothly.

The Sportsmanship Committee, under the direction of Mr. Frank Gentile, consists of two members of the Executive Council, one cheerleader, Pep Club president, and one athlete. The committee judges the sportsmanship of the athletes, Pep Club, and students at all athletic activities for the sportsmanship trophy.

Psychology Club consists of past or present psychology students with a 2.5 or above average. The members pursue their interest in psychology through field trips, movies, and the study of Mental Health. The club is sponsored by Mr. Patrick McCone, Psychology Teacher.

Starting the year by building a prize winning Homecoming float, Quill and Scroll continued its enthusiasm with the initiation of several new members and establishing a publications morgue for the journalism department.

Scholarship is one of the requirements for membership in the National Honor Society. Members are chosen from the upper twenty-five percent of the class by a vote of all eligible students and teachers.

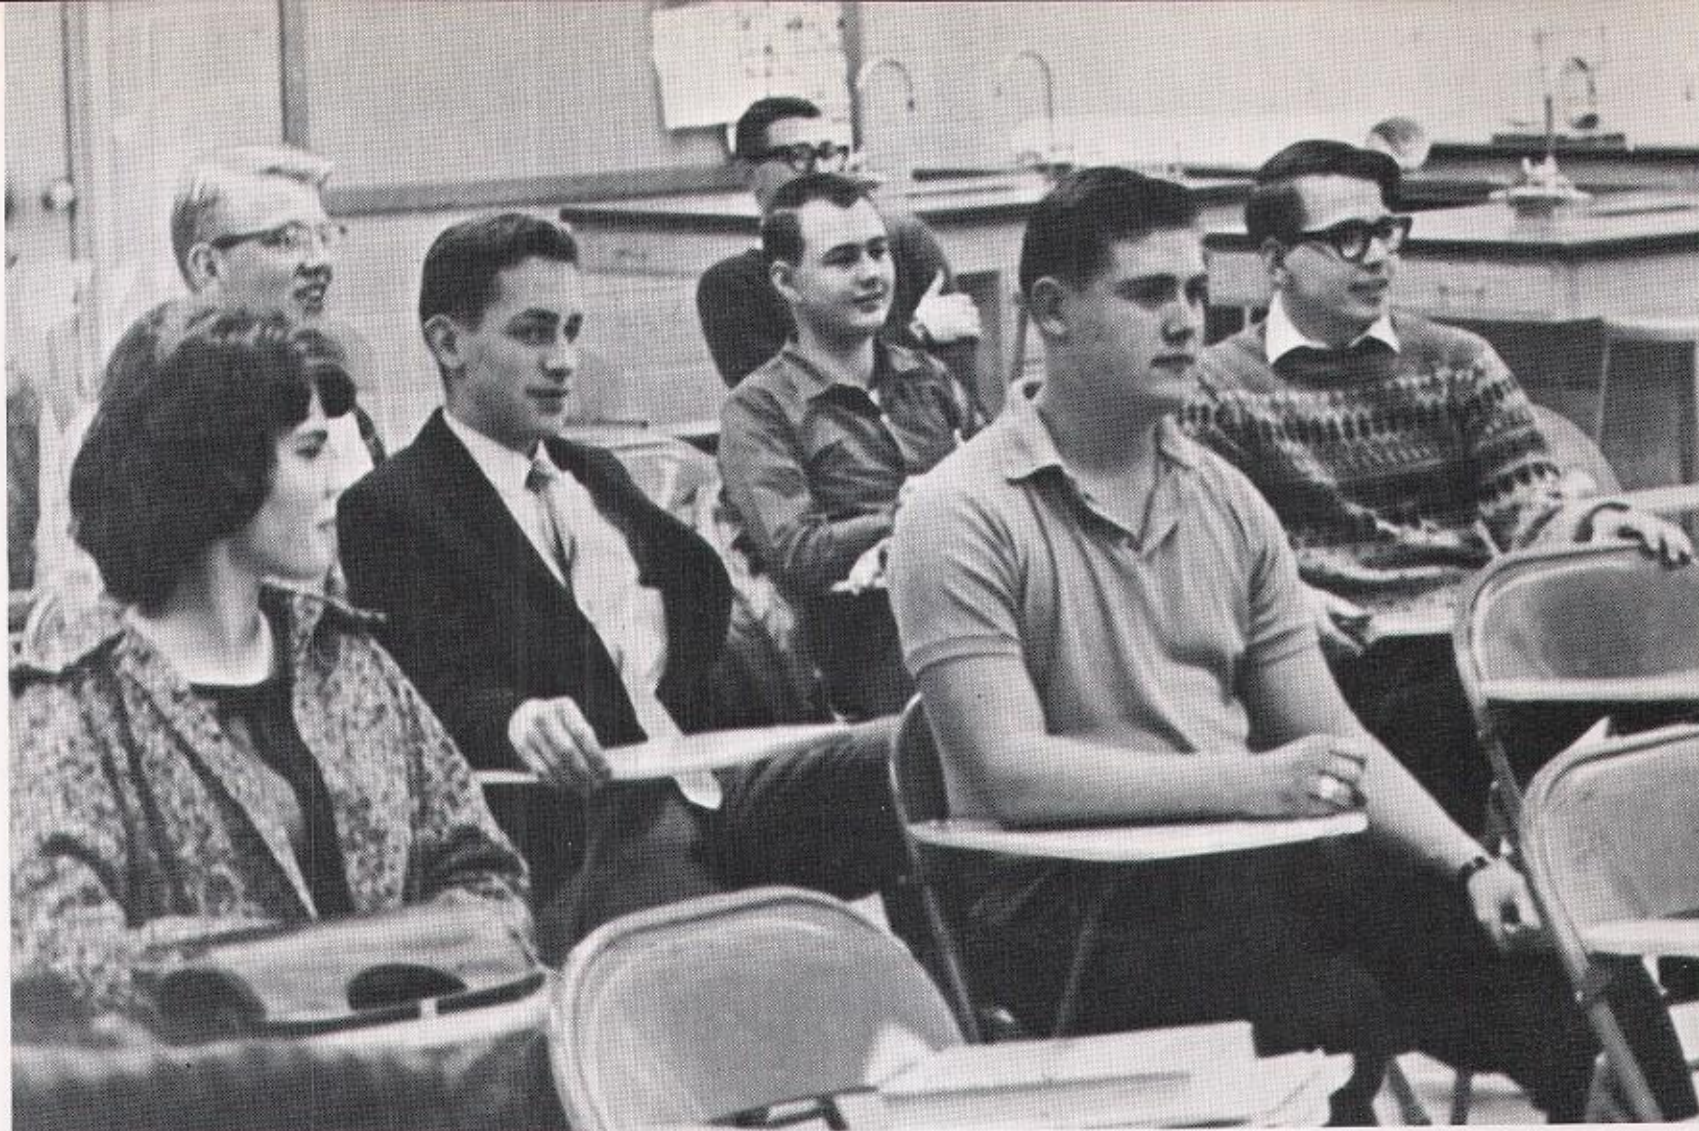

If you are a "snow bunny" or a schusser, Ski Club offers something for all—movies, jolly excursions, and discounts on magazine subscriptions. Membership is available to all who ride the boards in the winter.

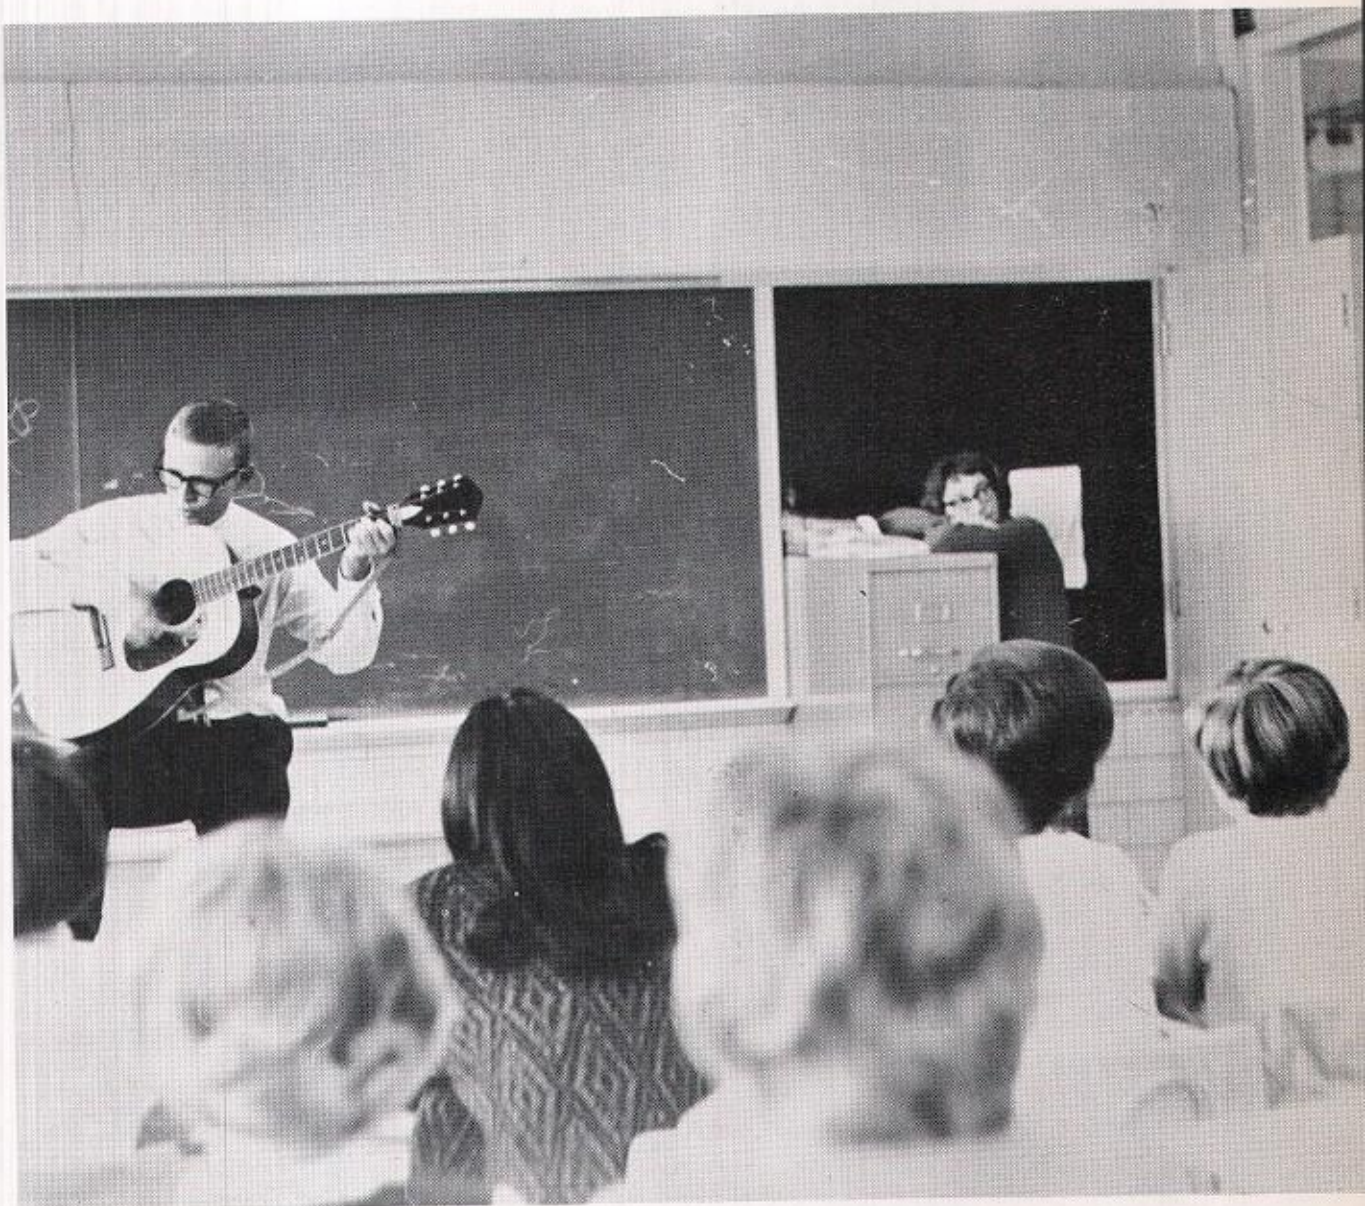

Flashing blades characterize both the novice and expert skaters. D.U., South Suburban, and Homewood rinks are often used for intricate figure eights and simple waltz's.

The band room is filled to overflowing when the Youth for Christ Club is in session. The club is for faiths and members who enjoy speakers on vocational opportunities, an annual Christmas party and a Graduation party for all graduating seniors.

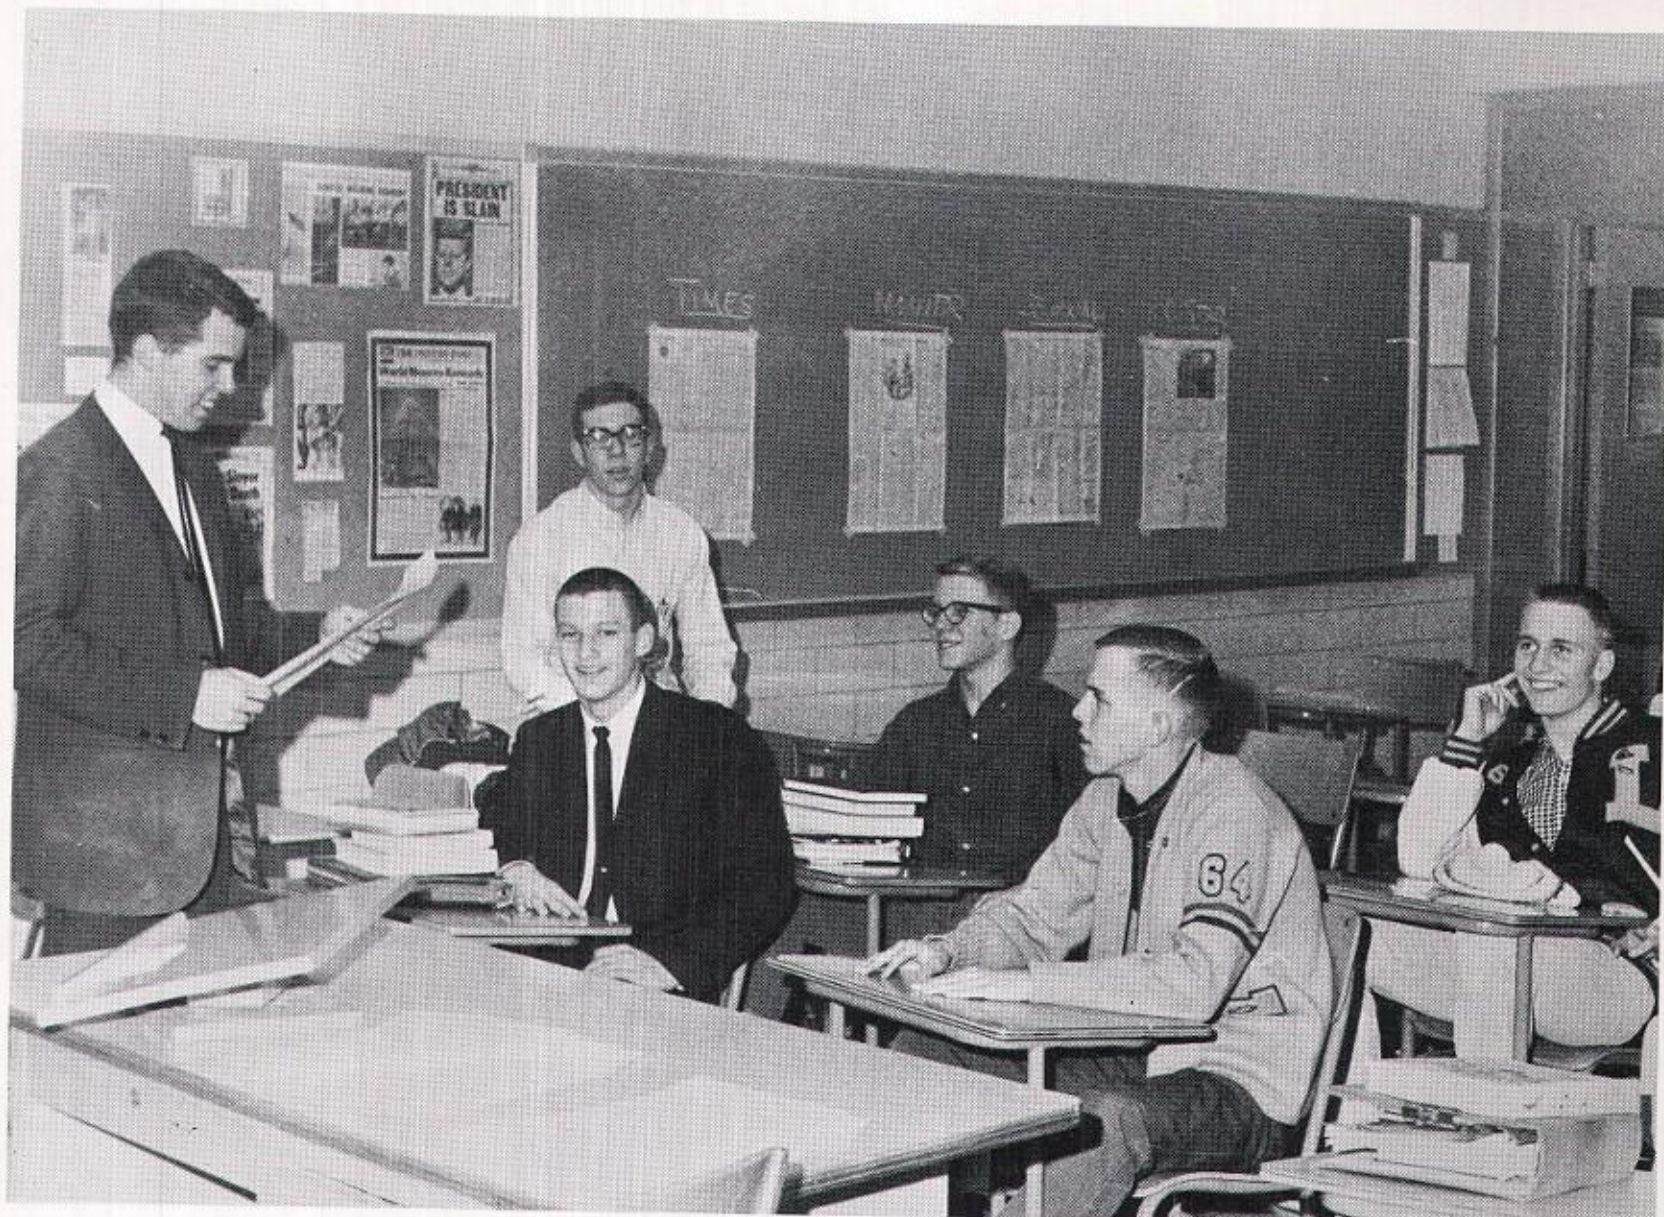

The Folk Singing Club is composed of students who have an interest in folk and country music. The strains of music can often be heard emerging from one of their hootenannies.

The L-Club is a service organization comprised of boys who have won letters in one or more sports. Their major social project is a Lions Day Dance at the end of the year.

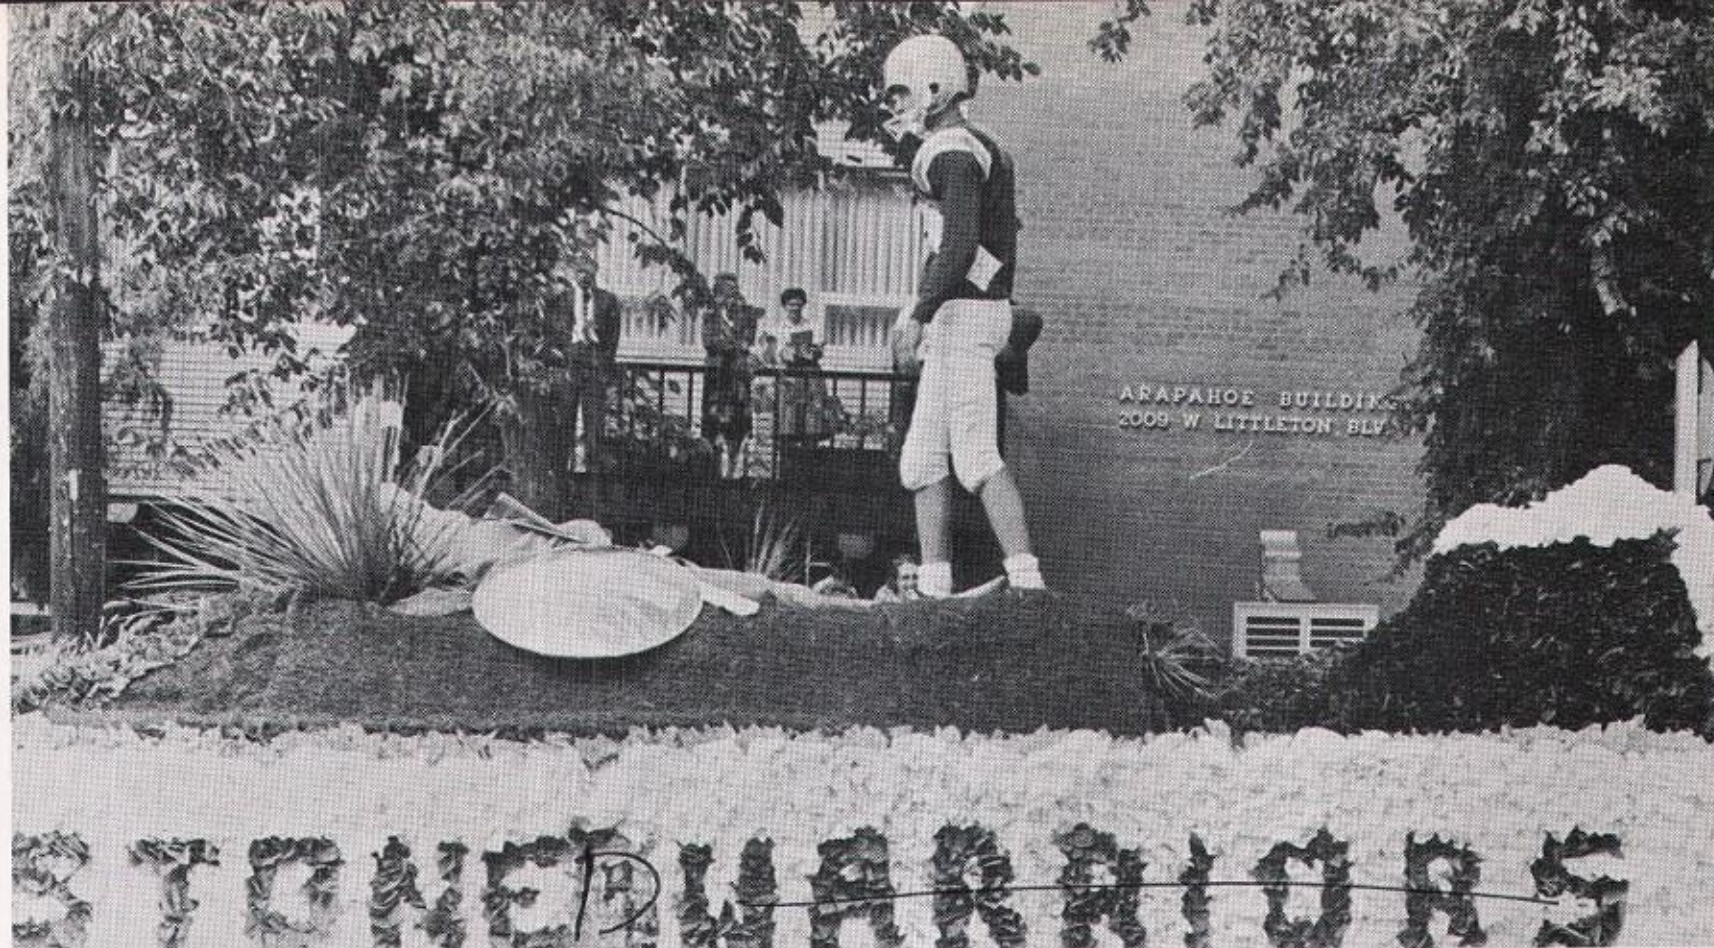

Key Club is a Kiwanis sponsored service organization which participates in many school and community projects. Members of Key Club are responsible for the raising and lowering of the school flag and helping a needy family at Christmas.

Style shows are just one of the many extra-curricular activities sponsored by the Future Homemakers of America. The girls have also become proficient in cooking and sewing.

Homecoming 1963

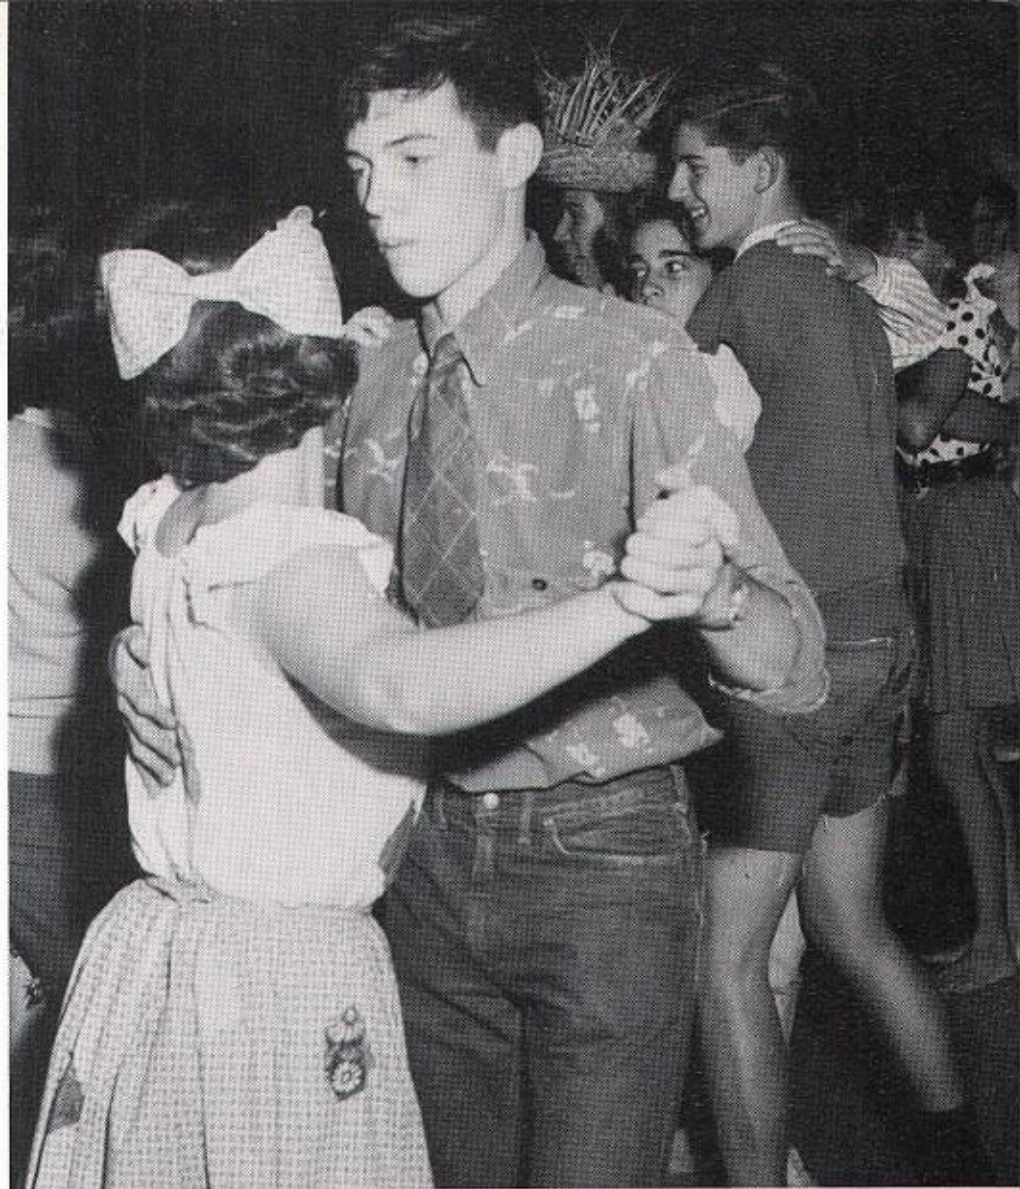

Amid paper napkins, chicken wire and bent nails, work progressed on the Homecoming floats. Two weeks of hard work was climaxed by a parade, game, bonfire, snake dance and the annual Homecoming Dance.

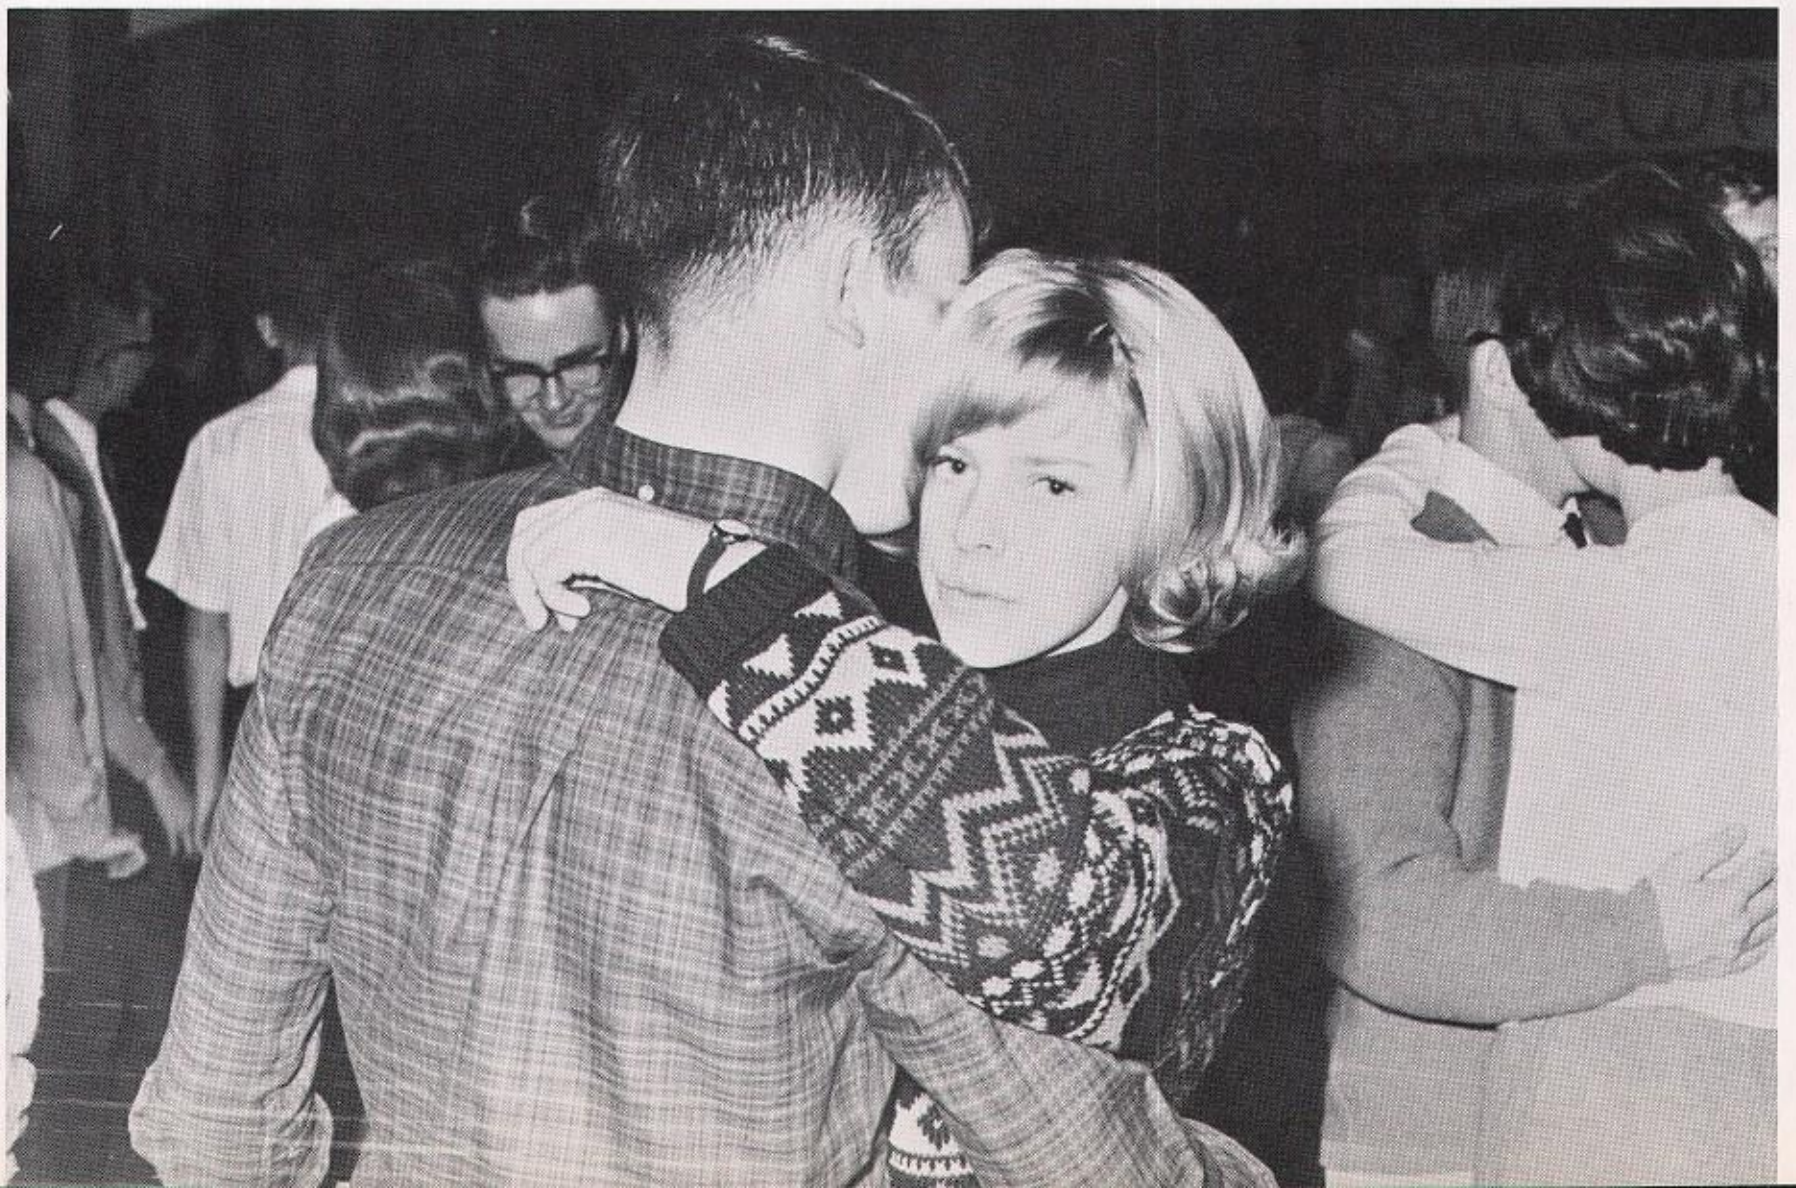

Sadie Hawkins

A cluttered barnyard was the setting for this year's Sadie Hawkins dance. The girls dragged their beaus to the shindig complete with marriage booth and shutterbug.

Canteens

The cafeteria and girl's gym areas come to life whenever there are canteens sponsored by the Sophomores, Juniors, or Seniors. Themes range from "Midnight in Monte Carlo" to "Circus City." Often local combos, such as the Chaparells, the Catalinas, the Chessmen, and the Viscounts perform.

Pep
Rallies

Frogmen and pom-pon girls who double as cheerleaders and football players are not unusual sights at pep rallies. These rallies take place in the boy's gym where the team members are introduced to the student body.

Foreign

Nora Donatelli is Littleton High's exchange student from Barcelona, Spain. Nora is active in IRC, AFS club, Executive Council, and A Cappella. Nora feels that the most unique feature at Littleton is the pep assemblies.

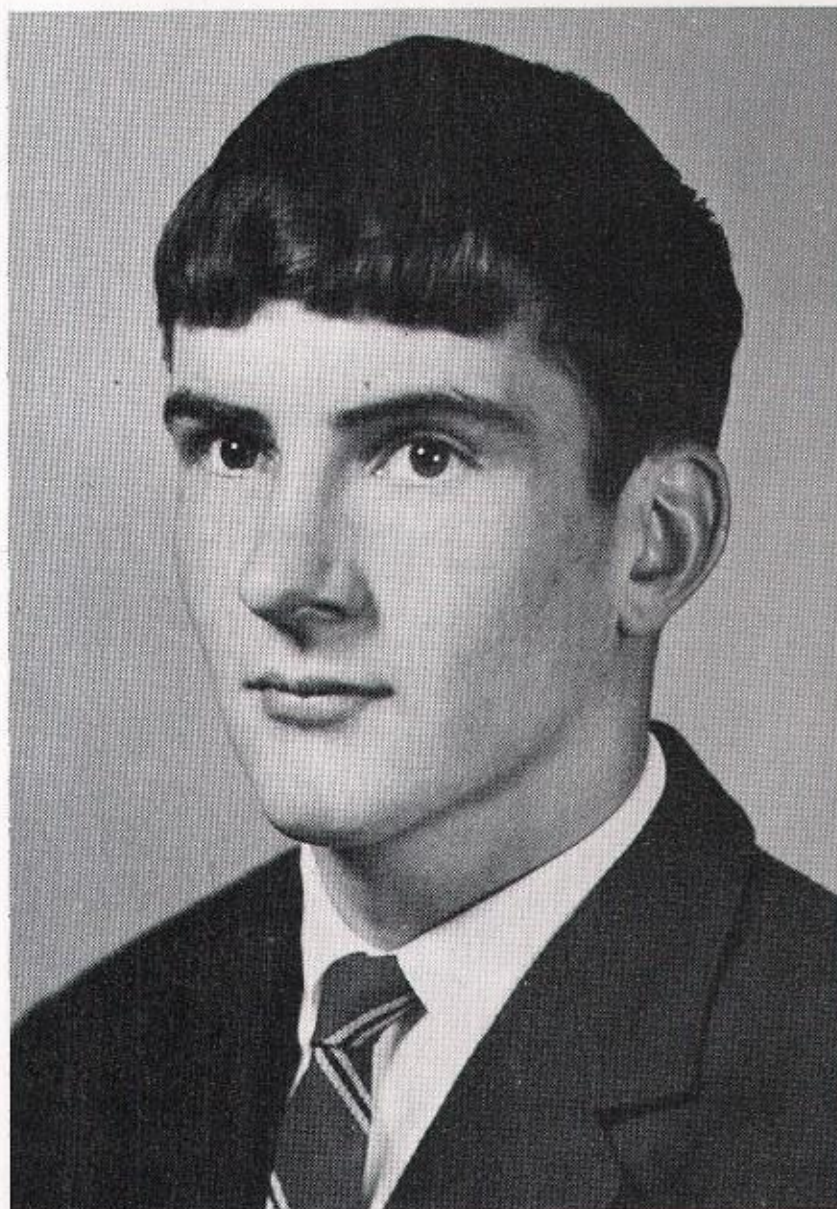

Mary Anne Houy spent eight months at a private girls' school, the Wilderness School in Adelaide, South Australia as Littleton's AFS exchange student. She found the Australians have a unique sense of humor and are warm and hospitable.

Exchange

"Jake" Wade, Littleton's happy "Aussie" from Campertown, Victoria, Australia, is a football, cricket and cross country fan. He admires the excellent student-teacher relationship at Littleton High and enjoys our abundant sporting facilities.

School in Australia has proved to be a completely new experience for Janet Baker. Her school subjects include French and physical education but has no electives. The only social life is choir and an inter-Christian social organization. In spite of the scarcity of boys, Janet enjoys Australian life immensely.

Homecoming

A number of candidates for Homecoming King are nominated by the Pep Club. The same number of girls are chosen by the football team for Homecoming Queen. A vote by the entire student body makes the final decision as to the king, queen and eight attendants who reign over the dance.

Twirp Royalty

The Twirp Dance King was chosen from among ten boys nominated by the Pep Club. This year's dance, "Cupid's Corner," was the climax of Twirp Week.

We were ~~so~~ glad to see
Steph get Queen. But I've
always kinda wondered
whether it was because of
Horny. Don't you?

But Prom was so brady.
And the after-Prom party!
Whee! And that crap
Bruce brought us - man!
he's ~~over~~ again. That was the
last date we doubleed with
Bruce Mike, remember.

And then we had to bid
farewell to our Sunday
School & City sessions.
How 'bout that retreat
with friends (?) (Daghe)
And the little "what you
should know about boys"
discussion! How kooky!

You know, Cyndi, in all
the 6 months we knew
each other we didn't even
get to be the "great
confidants" type friends but
we always seemed to
sense each other's feelings

Taffy Wendt
Lady-in-Waiting

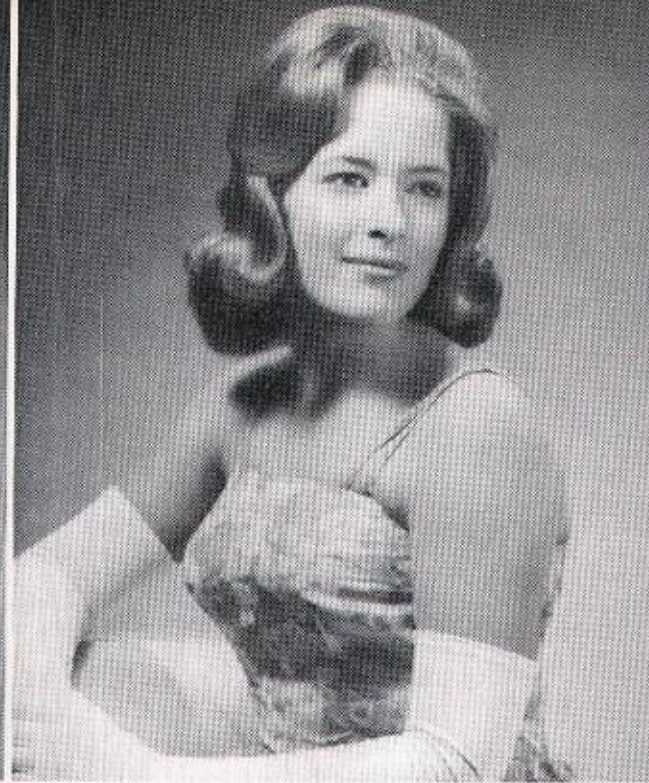

And agree! Even our humor seemed to be along the same line! Like
remember our mutual feelings about Bob Schmidt?

Boy's State

Dividing into groups representing cities and counties, civic minded boys from throughout the state elected city, state and national officials in an experiment at the University of Colorado. Through this project, held in June, the boys learned the operation of state government.

DAR Award

This year the DAR award went to Nancy Louthan, Senior Class President, because of her outstanding dependability, service, leadership, and patriotism. Nancy was chosen one of the three finalists by the Senior class. The final decision was made by the faculty.

Girl's State

Three hundred sixteen girls from throughout the state met June 13-19 at Colorado Women's College to participate in a mock state government. The girls formed into groups representing three counties and six cities where city, county, and state officials were elected.

I shouldn't keep up
these little
whispered messages
of love through out the
annual. People (who are nosy

impression. Besides in
my hydroplaning you're
probably going to be
cross-eyed also at
this time - I've given a real

not being presumptuous in
assuming that you are one of my

I always feel dumb

Congratulations to all graduating classes. May your future years be prosperous and happy. Be sure to visit the all new and different Chevy City. Our grand opening is approximately June 1st, 1964. Think and drive safe.

These are parents. Color them snowed.

Well, here I am. Boy, do I miss those clown goateater
 Seniors - boys mainly. ~~Especially~~ my old ~~lover~~ (and I do mean lover) John Bartsdale
 (When we hear this title, I truly hope that somewhere in the
 back ~~out~~ of our minds, will remember this rampin' year. And
 even our dear friend Woody Koken. And I sure wish you could
 have seen Yeoman of the Guard. (You'll note there's not one word
 of that or all Choir in the whole annual?) They gave us a ~~supper~~
 In the

GRADUATES...

1001 Lion's Roar! How ~~kind~~ hearted, eh? I shall leave this page now and
 conclude my little "visit through annual-land" my the Queen

See, it's bad news that
you still not here in this
hole. I hope you and Dickie
get married before he leaves.
Anyway, Cyndi, have fun, be good,
and remember me. Write to me
and tell me what happens. OK.

Love ya,
Diane
McDaniels

P.S. George &
I are getting
married June 21
of next year.
